Chairman Kinsella called the meeting to order at 6:00 p.m. On roll call all members were present.

Tricia Tialdo made a motion to accept the July 16th, 2014 minutes second by Alderman White. All members voted aye. Motion carried.

On public participation Michael Hagberg commented that under the Robert Rules of Order it is suggested that any committee that meets infrequently can form a process to have the minutes approved prior to the next meeting. He recommended that this committee do so to expedite the information to the public.

On new business Bob Sabo gave the 2014 Crime free Housing program revenue and expenditure report.

Sgt Herling reported on the 2014 Crime Free Housing program Police statistics.

Bob Sabo informed the committee that the Hotel/Motel ordinance was amended in that any Hotel/Motel guest with extended stay over thirty days will be required to register under the Crime Free Housing program and be subjected to the City housing codes.

Chairman Kinsella inquired if they were any consideration to modify the Crime Free Housing program. He requested that this be placed on the agenda in case anyone had a suggestion that the committee would need to vote on. The only discussion was on the possibility to prohibit a tenant that was evicted due to a violation under the Crime Free Housing ordinance from residing in Belleville for a certain period of time. The opinion from the City Attorney was not to include this into the Crime Free Housing ordinance to avoid any conflicts with other sections.

With no further business a motion was made by Beverly Fiss to adjourn, second by Tricia Tialdo.
