NOTES TO FINANCIAL STATEMENTS  
APRIL 30, 2012

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The accounts of the City are organized on the basis of funds and account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures or expenses as appropriate. Government resources are allocated to and accounted for in individual funds based upon the purpose for which they are to be spent and the means by which spending activities are controlled. Special Revenue Funds are used to account for the financing of public improvements or services deemed to benefit properties within a specific area. The City established the Tax Increment Financing Districts in the fiscal years ended April 30 as follows:

Districts #1 and #2	1984
Districts #3 and #4	1986
Districts #5, #6 and #7	1987
Sales Tax District	1992
Districts #8, #9, #10 and #11	2000
District #12	2003
District #13	2004
District #14	2006
Districts #15, #16, #17, #18 and #19	2008
District #20	2009
District #21	2010

The statements reflect the modified cash basis of accounting. Accordingly, revenue is recognized when cash is received and expenditures are recognized when paid.

The accompanying financial statements were prepared for the Tax Increment Financing Districts only, to reflect their cash balances as of April 30, 2012 and revenues received and expenditures paid for the year then ended. These statements are not intended to present the financial position and results of operations of the entire City of Belleville, Illinois as of April 30, 2012.

**NOTE 2: CASH**

The City is authorized by state statute to invest in: obligations of the United States of America; interest bearing accounts of banks; savings and loan associations or credit unions which are insured by the Federal Deposit Insurance Corporation, the Savings Association Insurance Fund or other applicable law, respectively; certain short-term obligations of corporations

**NOTE 4: REDEVELOPMENT AGREEMENT**

The City entered into a redevelopment agreement to develop an area within a tax increment financing boundary by which the developer would incur reimbursable costs which would be submitted for payment through Tax Increment Finance Notes. The debt would then be retired with tax revenues generated from the increase in values of the developed properties. The notes are payable solely from the new revenues and do not constitute a debt of the City.
