STATE SALES TAX TIF

Mayor Eckert gave a brief history of the State Sales Tax TIF. Mayor Eckert then asked the Board to elect a member from the public. Terry Beach made a motion to elect Thom Peters, seconded by Ryan Boike, with all present members voting aye. Motion carried.

Mayor Eckert asked the Board to elect a Chairperson. Terry Beach made a motion to elect Thom Peters and seconded by Lee Spearman with all present members voting aye. Motion carried.

Louis Oberneuferman, Belle Valley School District, joined the Joint Review Board members/Taxing Bodies.

Mr. Norber explained how the Sales Tax TIF works. Mayor Eckert added that Sales Tax TIF is similar to TIF in terms of projects and its boundary.

Chairman Peters and Ms. Maitret discussed the accounting aspects of the State Sales Tax TIF.

Chairman Peters opened up the discussion to the public.

Tim Carpenter, Alderman-Ward 4, stated that the TIF is detrimental to the police department and it encompasses too much of City property. He said that if the TIF was eliminated the City could hire thirty to fifty police officers.

Maureen Morris, 618 S. Jackson St., stated that she cannot read the TIF map on the City's website. she asked for the map to be broke down for easier understanding.

Joseph W. Hayden, Alderman-Ward 5, asked the Board a question concerning which TIF, TIF 3 or Sales Tax, does a citizen's money go into when they are shopping in that TIF area. With no further comments from the public, Chairman Peters closed public participation.

Ms. Maitret explained that each year the City remits a report to the State of Illinois that tracks each of the businesses that are located within the TIF district, the State of Illinois reports back to the City how much, if any, sales tax the State of Illinois will contribute to the TIF and how much the City has to match the amount. Since 2008, the State of Illinois has not contributed to the TIF's, so the City has not had to match the amount. The only money that goes into the TIF 3 account is a portion of the real estate tax increment.

Mayor Eckert spoke briefly on the 1% Business District tax and explained that no additional sales tax is charged in a TIF District.

Chairman Peters asked for the effectiveness and the status of TIF 3 and Sales Tax. Ms. Maitret gave a brief overview of TIF 3 and Sales Tax, TIF and some of the projects in the Sales Tax TIF. Mayor Eckert gave an overview of some of the project that were funded with State Sales Tax TIF funds.

Since there were no more comments or questions from the Board. Chairman Peters asked for a motion to adjourn. A motion was made by Jeff Dosier to adjourn and seconded by Mayor Eckert. Motion carried.

Respectfully Submitted,
Kari L. Tutza
Transcribing Secretary

TAX INCREMENT FINANCING DISTRICTS

NOTES TO FINANCIAL STATEMENTS
APRIL 30, 2012

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounts of the City are organized on the basis of funds and account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures or expenses as appropriate. Government resources are allocated to and accounted for in individual funds based upon the purpose for which they are to be spent and the means by which spending activities are controlled. Special Revenue Funds are used to account for the financing of public improvements or services deemed to benefit properties within a specific area. The City established the Tax Increment Financing Districts in the fiscal years ended April 30 as follows:

Districts #1 and #2	1984
Districts #3 and #4	1986
Districts #5, #6 and #7	1987
Sales Tax District	1992
Districts #8, #9, #10 and #11	2000
District #12	2003
District #13	2004
District #14	2006
Districts #15, #16, #17, #18 and #19	2008
District #20	2009
District #21	2010

The statements reflect the modified cash basis of accounting. Accordingly, revenue is recognized when cash is received and expenditures are recognized when paid.

The accompanying financial statements were prepared for the Tax Increment Financing Districts only, to reflect their cash balances as of April 30, 2012 and revenues received and expenditures paid for the year then ended. These statements are not intended to present the financial position and results of operations of the entire City of Belleville, Illinois as of April 30, 2012.

NOTE 2: CASH

The City is authorized by state statute to invest in: obligations of the United States of America; interest bearing accounts of banks; savings and loan associations or credit unions which are insured by the Federal Deposit Insurance Corporation, the Savings Association Insurance Fund or other applicable law, respectively; certain short-term obligations of corporations

CITY OF BELLEVILLE, ILLINOIS TAX INCREMENT FINANCING DISTRICTS
NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE 4: REDEVELOPMENT AGREEMENT

The City entered into a redevelopment agreement to develop an area within a tax increment financing boundary by which the developer would incur reimbursable costs which would be submitted for payment through Tax Increment Finance Notes. The debt would then be retired with tax revenues generated from the increase in values of the developed properties. The notes are payable solely from the new revenues and do not constitute a debt of the City.

The City made payments to reduce the principal amount of the Tax Increment Financing notes for the Reunion Development Project agreement by \$471,944 during the year ended April 30, 2012. These payments are being reported as development expense in the financial statements. The note balances related to this project in the total amount of \$18,636,929 are still outstanding and not reflected in the debt of the City as of April 30, 2012.
