MEMORANDUM

To: City Council

From: Mark W. Eckert, Mayor

Date: May 1, 2014

Re: Fiscal Year 2014/15 Budget

This is the City of Belleville's 2014/15 budget. Please note that the City operates under a fund accounting system. Under this system, the most meaningful analysis is accomplished on a fund by fund basis, rather than a total fund bottom line approach.

Trends and Issues

At 200 years old, the City of Belleville continues to work diligently to grow and prosper. Belleville is the largest city in Southern Illinois and is the county seat for St. Clair County. During 2014, we pause and commemorate our 200th anniversary. This year, we reflect on our history and set goals for our future as a community. Many special events are planned during this year-round celebration thanks to our countless sponsors, volunteers and city staff. The festivities will culminate in a big bash this September, when the city combines its popular Oktoberfest celebration with an elaborate Bicentennial celebration.

We are proud of the growth we have accomplished the past nine years. The massive \$7 million downtown streetscape project and the two new retail shopping centers on Rt. 15 and Green Mount Road that were completed in 2006 and 2007 have been tremendous improvements to our City and have been significant new revenue sources. Belleville's current population is 44,478. In 2011, Belleville was selected as an All-America City by the National Civic League after competing against 25 other cities for this prestigious award.

The City of Belleville, like all units of local government, continues to feel the challenges of our State of Illinois. Financial obstacles, many unfunded mandates, and still the uncertainty of payments make it difficult to forecast good financial budgets.

In 2014, our new police station will be underway at the future site that will be located at 720 West Main Street. The City's current station is over fifty years old and the police department is spread between five different buildings. Jail cells are on the second floor with no elevators, making it very difficult to move prisoners. Plans are also in process to make City Hall ADA (American with Disabilities Act) compliant.

In May of 2014, nearly 1,520 white LED lights were installed to add ambiance to downtown as we celebrate and commemorate Belleville's 200th Anniversary. The City paid \$25,000 for the lights; one half of the total cost of \$50,000. Downtown Development/Redevelopment contributed \$12,500, and the Belleville Main Street Organization contributed the remaining \$12,500 and paid for the necessary hardware and the first sample string of lights.

In June of 2014, the City will accept proposals for codification services, publication and supplement services from a qualified consultant with extensive experience in codification for the municipal code of the City of Belleville.

Six years ago, the City designed and published its first quarterly newsletter with the first issue being published in April, 2008. Quarterly newsletters are mailed directly to the homes and businesses of all property owners and renters in the City. The response has been very positive.

In order to provide residents with necessary services, the City added a fourth Firehouse and four new firemen in 2009 at 1125 South Illinois Street and moved Human Resources and the Parks and Recreation Department to 510 West Main Street. This past fiscal year 2013/2014, the City added 2 new police officers raising the total number of sworn police officers to 84. One of the new hired police officers was hired through the Crime Free Housing Program. The Belleville Police Department also launched their new Records Management System on November 13, 2013.

The spirit of volunteerism is still strong in the City of Belleville, as evidenced at Art on the Square, Chili Cook-Off, Oktoberfest, Wine, Dine & Jazz, and other public events. The countless hours of work by volunteers before, during and after these events is vital to their success. The City is also fortunate to have many motivated service organizations that support the City and its residents.

We continue to mentor our Character Initiative and push for stronger neighborhoods. On April 14, 2011, the City Council voted to support the Belleville Neighborhood Partnership, a new program designed to give neighborhoods direct input and a greater voice in improving their community through effective communication. We continue to support our BASIC Youth Initiative through our three high schools.

Debt Limits and Bond Cap

The City of Belleville operates under home rule authority and therefore has no legal debt limit. The General Assembly has not limited the indebtedness that home rule municipalities may incur, nor has it required referendum approval of debt to be incurred by home rule municipalities. Consequently, home rule municipalities may legally incur indebtedness without limitation and without referendum approval. However, any municipality which is overburdened by indebtedness would have difficulty marketing its general obligation bonds. This past year, the City of Belleville maintained its A+ rating from Standard & Poor's on its bonds. Last year our \$4,376,500 Industrial Revenue bond cap was transferred to SWIDA. Our sewer bonds are paid from user fees, and the TIF bonds are paid from sales and property tax as is the bond issued for the General Fund for storm water separation and road projects.

Policy Statements

Housing: Existing single family house stock shall be retained and/or rehabilitated for the owner occupied use. Single family residential subdivisions and developers of such shall be actively recruited. The City will actively enforce the current Mobile Home Subdivision Ordinance. The City will encourage historic preservation and the expansion of the historical district. We are also continuing the restoration of two museums. One of these, the Koerner House, is currently undergoing renovation as part of our Historic Preservation Program. The City's housing maintenance code will be diligently and fairly enforced. The City will formalize partnerships between the City and neighborhood associations. In 2013, the City developed a Crime Free Housing Program. The goal of the City of Belleville Crime-Free Housing Program is to increase the quality of life of residents by partnering the City with Owners, Landlords and Managing Agents to decrease the incidents of public safety violations and criminal activity in rental properties.

Economic Development and Planning: Filling vacancies in Commercial Business Parks shall be actively pursued, as shall development of the third phase of Belle Valley Industrial Park. Funding for major existing arterials and proposed highway extensions shall be actively sought within the 5-year FAU budget cycle. Subdivision regulations, as amended, shall be strictly enforced. Our superior rated schools and hospitals shall be heavily marketed due to their superior ratings. We believe the development of Mid-America Airport will provide opportunities for service oriented commercial and industrial land uses, which shall be actively pursued with the continued support of our joint use with Scott Air Force Base. The Downtown area shall be further developed and/or enhanced through public/private partnerships. The City shall encourage Mixed-Use (Residential, Commercial) development with the Downtown area. The City will support transit-oriented development around Metro Link stations. The City will support the proposed

widening of Green Mount Road to four lanes to accommodate commercial and residential growth in the area. The City will encourage a proper mix of retail and service businesses within our community. We will determine what business types are underrepresented and strive to attract them to Belleville. The City will continue to work with the Belleville Chamber of Commerce to continue to grow and retain businesses. The City will promote its partnership with Lindenwood University in Belleville at the former Belleville West High School site at 2600 West Main Street. Lindenwood University continues to make many improvements. Last year, Lindenwood invested 3.89 million dollars for their first Women's Residence Hall. This year, Lindenwood invested 4.2 million dollars for the Fred J. Kern Men's Residence Hall. Next to the Belleville Lindenwood campus, the State's construction of a new \$39 million state-of-the-art crime lab is near completion and will open in the summer of 2014, and the University will offer a forensics program. During the 2013/2014 fiscal year, the City completed a year-long planning and citizen involvement process resulting in the update of the City's Comprehensive Plan named Imagine Belleville. The City expects to adopt the updated Comprehensive Plan in June of 2014. The Comprehensive Plan is a powerful tool that will allow us to move forward with changes to the zoning code as well. Much has changed since the last Comprehensive Plan was written in 2000, and this plan will guide the future growth and development of the City over the next 20 years.

Community Development: A new Community Development Department was added to the City at the beginning of this fiscal year 2013/2014. With the development and growth of the Belleville Neighborhood Partnership Program, a department was necessary and Jim Schneider was made Director of the Community Development Department. The mission of the Belleville Neighborhood Partnership is to give neighborhoods direct input and a greater voice in improving their neighborhoods through effective communication and collaboration. Neighborhood Associations shall be encouraged to continue to preserve and nurture the multitude of cultural diversities existing within those neighborhoods. Neighborhood school sites shall be retained and/or incorporated into subdivision designs to better unify the area. Entryways into Belleville will be developed and /or enhanced through public/private partnerships. The six (6) mile long city-wide bike trail system is under expansion. Existing city parks shall be made more accessible to residents via the city-wide bike trail system with open space requirements for new development vigorously enforced. The first phase of Bicentennial Park, Kimball Plaza, is now complete. A 40-foot bridge is also complete at the entrance of the park off Belleville Crossing Street. Bicentennial Park is the former site of the Angler's Club. Our plans are to continue further development of Bicentennial Park. Public input is highly encouraged at both the staff and elected official levels. Since the development of the City's website in 2006 (www.belleville.net), the public can easily access information on City officials, events, development projects, programs and services, as well as the quarterly newsletter. We are excited to announce that a brand new website for the City launched on August 16, 2013. Our new, easy-to-use site puts useful information at your fingertips and helps to keep you better informed. The new site is designed to enhance community engagement and communication. The City is continually updating its Disaster Plan through a specially formed committee which includes advisories from the American Red Cross. The City's committee to provide a city-wide marketing plan consists of new developers, businesses, local hospitals, the Belleville Chamber of Commerce, Belleville Main Street Organization, realtors, and several City Department Heads and officials.

Code Compliance: Subdivision Regulations and Zoning Ordinances shall be strictly enforced. Occupancy permit acquisition shall be actively enforced.

Development Tools: The areas adjacent to and within five (5) blocks of the Metro Link stations shall have conceptual land use plans. These plans are to be utilized as a marketing tool for new residential and commercial land uses. Enterprise Zone incentives shall be made available only after financial implications of such have been fully investigated. Tax Increment Financing shall be actively promoted to realize new development and provide funding for city-wide infrastructure improvements. The City is committed to transfer at least \$1,000,000 per year to sewer construction funds. The City shall attempt to attract more grant funding for community improvements and programs. Over time, the City's goal is to reduce its reliance on financial tools to attract or retain business.

General Overview

The City has numerous funds which fall into the following categories: the General Fund, in which all operating expenses are generally included; Utility Funds, where costs and revenues for our sewer operations and debt service are incurred; Tax Funds, which receive property taxes that are used for specific purposes; Tax Increment Financing Funds, which receive revenues from the City's TIF District; Special Revenue Funds, which receive monies from specific revenue sources and must be used for particular purposes; and finally, Pension Funds, which are maintained for employee retirements.

The General Fund includes expenses for such services as police, fire, streets, parks, sanitation and administrative activities. FY 2014/15 General Fund requested expenses total \$26,958,701. Projected 2014/15 revenues equal \$26,963,759. This represents a surplus budget of \$5,058. This surplus reflects our attempt to control expenditures and rebuild reserves as we continue to have uncertainty in revenues received from the State. Total budgeted expenses for all funds in 2014/15 equal \$113,373,131.

General Fund Revenues

General Fund income is projected to be \$26,963,759. Of this, the following are the four major revenue sources: sales tax, estimated to be approximately \$6,175,000, utility tax anticipated to be approximately \$3,360,000, Belleville's portion of the income tax received from the State at approximately \$4,280,000, and garbage fees are anticipated to be \$3,100,000.

The General Fund revenues are projected using a conservative approach.

One revenue source worth mentioning is the inter-fund operating transfers which represent 7% of revenue received in the General Fund. \$300,000 will be transferred from the Motor Fuel Tax Fund to the General Fund as a reimbursement for street department salaries and materials. There is also an inter-fund transfer in FY 2014/15 from the Tax Increment Financing (TIF) District 3. This is an administration fee which covers costs such as personnel, as well as a reimbursement on road work paid for by the general fund and reimbursed by the TIF fund. This transfer amounts to \$1,330,998 for the current fiscal year.

City Program Priorities

The City's fiscal policies recognize the following hierarchies of priorities for the allocation of revenues. The first and most important priority is to appropriate adequate monies for general operations in order to continue to provide quality essential services and maintain day to day operations to the community. The second priority is funding for necessary capital equipment to provide essential services to City residents. Third, to fund for essential capital improvement projects in order to maintain and improve the integrity of the current infrastructure. Fourth, to maintain the City's contingency reserves to provide monies in the event of a major revenue shortfall, natural disaster, or any unanticipated expenditure requirement. Fifth, the City of Belleville committed 5,000 dollars for five years beginning this fiscal year 2014/2015 to the Leadership Council Southwestern Illinois to maintain the strength of Scott Air Force Base. Please note that the second and third priorities not only provide funding for capital equipment and improvement programs, but also are necessary to decrease the City's liability exposure.

Capital Equipment & Major Projects

The City has budgeted for capital equipment in 2014/15. Major capital equipment and projects expenditures include the following: Purchase of Land, \$570,000, Building Improvements, \$42,000, Equipment, \$610,750, Vehicles, \$846,105, Infrastructure, \$14,740,000, Streets, \$2,391,000, Furniture and Fixtures, \$10,250, Books and Periodicals, \$130,100, and Other Improvements, which includes upgrading parking lots, road improvements, park improvements, street patching, sidewalks, etc., total \$3,528,424. The

grand total for all capital outlay is \$22,868,629. Capital Expenditures represent approximately 20.18% of the total budget. Some of the revenue required will come from grants as well as reimbursements from IDOT and TIF funds. Capital Projects are budgeted within their respective fund. The City generally refers to the Master Plan as a guide for Capital Projects. The bulk of capital funds are going to street projects and State-mandated sewer upgrades.

Utilities Fund

The Sewer Fund revenues for 2014/15 are estimated at \$7,955,900. These revenues not only support day to day operation of the City but also go to meet the debt service that is required of the Sewer Fund. Capital Improvement projects are budgeted in the Sewer Construction Fund 24. The City is expanding the sewer plant, and is currently in Phase I and II of the sewer separation project. These projects will be funded by user fees, tap-on fees and transfers to Sewer Construction from the operating account and TIF 3.

Tax Increment Financing (TIF) Funds

The City TIF District encompasses most of the main street corridors and downtown Belleville. Portions of increased real estate and sales taxes generated within the TIF District are returned to the area and are to be invested in the district's infrastructure. Important TIF projects include the South 8th Street improvements, C Street repairs, demolitions, sidewalk and parking lot repairs, bike trails, storm water separation street repairs and renovating public buildings. These projects, as well as others, will be funded by property tax received in the TIF Funds. About 30% of TIF expenditures honor agreements which were renegotiated with the school districts, increasing the dollars left in TIF to be used for infrastructure. Business incentives will also be provided from these funds. A transfer of \$1,330,998 will be made to the General Fund to cover expenses incurred by the General Fund including administrating the TIF area. It will also transfer monies required for the various bond issues as well as \$1,200,000 this fiscal year to the Sewer Construction Fund for the plant expansion.

Library Fund

The Belleville Public Library has been awarded a Public Library Construction Grant from the State of Illinois. The Grant funds will be combined with funds previously secured by the library for a combined total in excess of \$900,000. The exterior façade of the main library will be completely restored, a new roof will be put on the building, the secondary entrance will be made ADA compliant, and the new paint and carpeting will be added on the inside. New service desks will be built as well as a new multipurpose training room and new shelving. Construction is slated to start in June and take about 6-8 months to complete. The Belleville Public Library will again offer many valuable services to residents of Belleville during 2014/15. The 2014/15 Library revenues are projected at \$1,387,550 - 87% of which is property taxes. The 2014/15 Library expenses are budgeted at \$1,676,468. The expenses budgeted are more than the projected income this fiscal year due to receiving a sizable private donation last fiscal year which will be spent this fiscal year on the improvements noted above. Other important Library expenditures in 2014/15 will include the addition of over \$130,000 in new books, audio books and periodicals, as well as \$12,000 for other equipment.

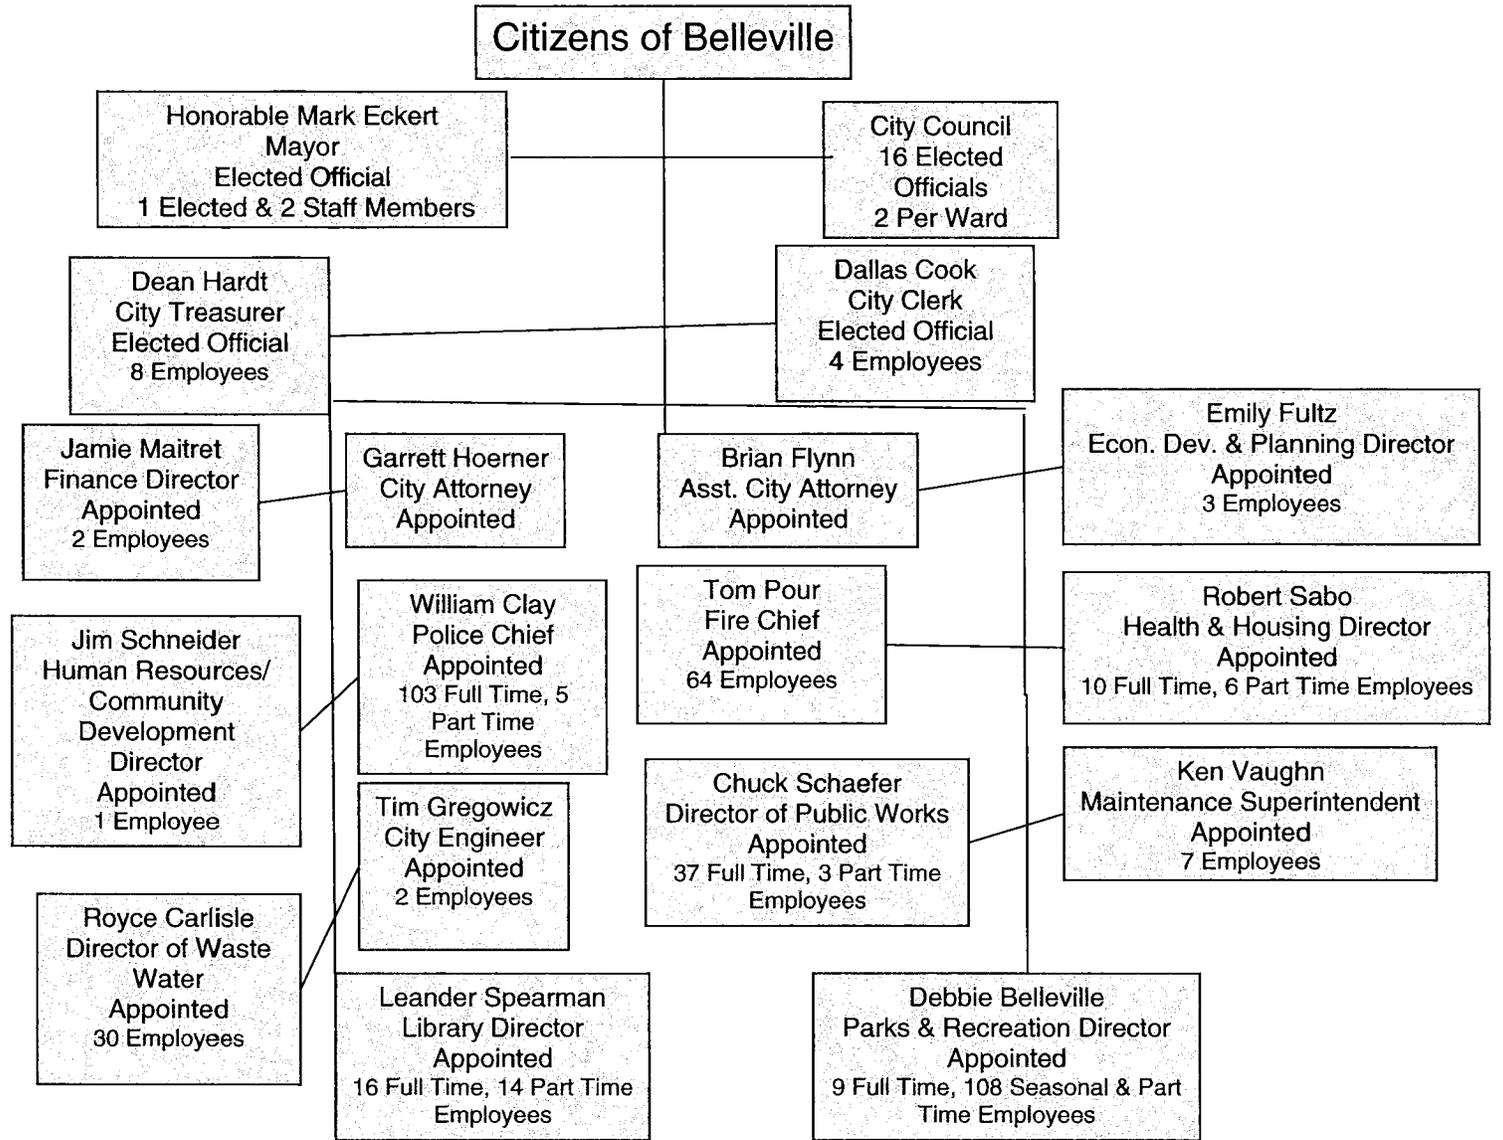

Motor Fuel Tax Fund

The Motor Fuel Tax Fund has projected expenses of \$1,752,750 with projected income of \$1,320,218. The Motor Fuel Tax Fund has adequate reserves to fund the Capital Improvement Program for fiscal year 2014/15. The Motor Fuel Tax Fund will have a favorable effect on all residents who use Belleville streets. The City is continuing to take an aggressive approach to upgrading streets during 2014/15. Some of the funds for street improvements will come from the TIF funds when the streets are located in a TIF area. The 50/50 sidewalk program, concrete and asphalt patching program, as well as pavement markings are included in this year's budget. Of course the City will continue its traditional street maintenance program by scarifying some streets, striping and curb improvements, as well as the 50/50 Sidewalk Replacement

Program. The City of Belleville is proud of its investment in our roads and thoroughfares as well as our Sidewalk program. The City hires a contractor and will pay 50% of the cost for sidewalk improvements both in our business community as well as our residential areas. The City of Belleville also has a grant opportunity for sidewalk improvements for those who are disabled or who have low income and meet the qualifying criteria.

Summary

In closing, I would like to advise the City Council and the citizens of Belleville that despite the ongoing challenges with the State and National economy, the City has not incurred deficit spending. We will continue to carefully monitor our financial situation throughout the new fiscal year. This budget, which has taken many hours to prepare, is one which can not be compiled by just one individual. It has been developed with the combined efforts of department heads and administrative staff. Through the continued efforts of our employees, the guidance of the City Council, input of our residents and numerous open public meetings, we are working diligently to ensure a stable fiscal future for the City of Belleville as we work to continue to make Belleville a strong Community of Character. I extend my sincere thanks to Jamie Maitret, our Finance Director, for her leadership on developing our annual budgets.

ADMINISTRATION DEPARTMENT

Department Number: 01-50

All expenditures made from this department are for the basic operations of the City Council, Boards, and other elected officials. Belleville operates under a strong Mayoral/Aldermanic form of government. The City Council consists of two aldermen from each of eight wards elected every four years. Their terms are staggered so that half are elected every two years. The Mayor performs all of the duties prescribed by law, including Belleville ordinances and is charged with seeing that the laws and ordinances are faithfully executed. The Council establishes the policy and legislation necessary for the continued progressive development of the City.

There are many items that are used Citywide that cross over Department boundaries. These types of cross over expenses are charged to this department. Examples would be copiers, cash registers, the annual audit, network programming, codification, postage, public hearing notices, dues for professional organizations such as the Illinois Municipal League, city directories, and utilities for City Hall, street lighting, etc.

The City pays the debt service for the 2009 G.O. Refunding Bonds and the 2011 G.O. Refunding Bonds through this department.

The City acts as a pass through for the hotel/motel tax, which is collected and used for local tourism. The City also sponsors DARTS, which is a Senior Transportation program, Senior Aides, RSVP and crossing guard's salaries as part of their community relations.

Boards and Commissions whose expenses are paid through this department with revenue collected in the form of donations and grants include the Historical Preservation Committee and the Labor Museum.

POLICE DEPARTMENT

Department Number: 01-51

The Belleville Police Department provides service for approximately 44,500 residents, as well as those who visit and work in the City. The department is comprised of eighty-four (84) sworn officers, eleven (11) telecommunicators, seven (7) clerical, four (4) community service officers, one (1) training co-coordinator, one (1) mechanic, and one (1) part time fleet management civilian employee.

The Police Department has an Operations and Administrative divisions, which provide a level of service and protection for the community and the citizens. The Revised City Ordinances of the City of Belleville have vested authority in the Chief of Police to adopt policies and procedures governing the control and direction of the Police Department and the members thereof. The Chief is also responsible for the department's strategic goals, priorities, initiatives, tone and code of ethics essential to the Good Order and operation of the department. One (1) Lt. Colonel (Assistant Chief of Police) is second in command of the police force, and assists the Chief in the day-to-day operations of the department. The Assistant Chief assumes the duties of the Chief in his absence.

One (1) Captain commands the Operations Division. Operations oversees three (3) Groups, Special Operations, Investigations and Patrol. Special Operations is commanded by a Lieutenant and composed of Code Enforcement, Street Crimes, Traffic, Canine, School Resource, Drug Tactical, DEA and the Metro East Auto Theft Task Force Units. These units provide specialized services to the citizens from drug interdiction, to enforcement of Crime Free Housing objectives. Investigations is commanded by a Detective Sergeant. The Sergeant assigns caseload and oversees the handling of cases by detectives, communicates and coordinates with the State's Attorney's Office.

Detectives are responsible for maintaining their caseload and presenting each case for consideration and successful prosecution to the State's Attorney's Office or Grand Jury. The Juvenile Division investigates all criminal matters involving juveniles. The Crime Scene unit is staffed by three (3) State Certified Crime Scene Investigators. They assess, collect, photograph, video, catalogue and store all evidence. They transport all evidence to the Illinois State Crime Lab when required and to court preserving the chain of evidence intact. Street Crimes is a proactive unit with a primary goal of actively addressing street crimes of opportunity, order maintenance, drug and weapons violations by conducting Hot Spot policing operations and intensive traffic enforcement. The Canine Unit is composed of five (5) officers and their K-9 partners. They assist in drug interdiction, locating contraband, suspect tracking, article searches and protection of police personnel. Additionally, they perform demonstrations for community, neighborhood organizations and schools showcasing their K-9 partner's abilities. The department also provides a full-time officer to the Metro East Auto Theft Task Force whose responsibility is to investigate auto theft and recover stolen vehicles in the metro east area. The Patrol Group is comprised of four (4) Squads, each commanded by a Lieutenant and (2) Sergeants. Patrol consists of the uniformed officers who are the first responders to all calls for service. These officers prepare all initial reports, enforce traffic laws, arrests subjects who violate Federal, State and ordinance violations within their assigned police districts. The Traffic Unit is staffed by two (2) State Certified Traffic Reconstructionist and they investigate all serious injury or fatal traffic accidents. In addition these officers code all traffic reports, establish parade routes, funeral and other motorcade escorts.

The Administrative Division is commanded by a Captain. This division prepares the department's annual budget, COPS and other grant requests and orders supplies and equipment required for the efficient 24 hour operation of the department. They issue non-criminal related press releases and maintain the department's facebook and twitter pages. The Administrative Division holds station tours, corresponds and coordinates with neighborhood groups or organizations requesting seminars or other informational meetings. The Training Unit ensures all required training for the department officers is accomplished. They maintain complete training records for the department and assist in such training as Firearms, CPR, Hazmat, and blood borne pathogens. The Special Response Team (SRT) is responsible for tactical entry in search warrants, drug raids, armed or barricaded situations and hostage negotiations. The Vehicle Maintenance Unit is responsible for the daily care and maintenance of all police vehicles. They maintain the records and budget for the police fleet.

The telecommunicators provide that vital link of communication between those who call for assistance in emergency situations and the police officers on the street. The department telecommunicators are trained and certified in response to 9-1-1 calls, emergency medical dispatching and the Law Enforcement Automated Data System (LEADS).

In 2014/15, the Belleville Police Department looks forward to building stronger ties with the community, schools and businesses through our community policing efforts. The Police Department is committed to cooperating with the Mayor, City Council, and other City Departments to enhance and improve the quality of life for the people we serve.

The Police Department has placed major emphasis on pro-active enforcement through the efforts of the Special Operations Group and new enforcement initiatives. The Police Department strives to provide a safe environment for all of Belleville's citizens and visitors. The department values the partnership of the community and continues to encourage any assistance that fosters a better Belleville.

FIRE DEPARTMENT

Department Number: 01-52

The Fire Department under the direction of Chief Tom Pour is divided into two basic divisions; fire suppression and administration. The Fire Department staff consists of 63 full time firefighters, including 4 Battalion Chiefs and 3 Chief Officers along with an Office Administrator and a Database Administrator. In 2013 the Fire Department responded to 1,596 calls from the citizens of Belleville. These calls ranged from structure fires to rescue calls.

The Fire Department has a continuing training program under the supervision of Deputy Fire Chief Bud Jacobs. This program helps our Fire Department stay in tune with the ever changing fire service picture. All Fire Personnel must average 24 hours of training and testing per person per month. There are over 30 subject areas to be covered and documented through the Office of the State Fire Marshall and the Illinois Department of Labor. Examples of these subjects would be blood-borne pathogens, hazardous materials, drivers' training, vehicle extrication, fire suppression and rescue.

The Fire Prevention Bureau is under Assistant Fire Chief J.P. Penet. He is ultimately responsible for all of the fire inspections conducted by the firefighters. Assistant Fire Chief Penet is also responsible for plan review of all new construction and businesses renovating commercial construction in the City of Belleville. New businesses in Belleville may not open until they have been inspected by the Fire Department. The Belleville Fire Department inspected over 2,100 businesses last year. The Fire Prevention Bureau enforces the 2006 International Fire Code for new construction and existing buildings. We also work with the Office of the State Fire Marshal for the State of Illinois for underground storage and tank enforcement and other areas handled by the State Fire Marshal.

The Fire Department conducts fire drills at every school and daycare in the city. More than 17,000 children are instructed as to how to respond in case of a fire in their school. The Fire Department also goes to grade school assemblies to talk to the children about fire prevention by using Pluggie the Robot Fire Plug. The fire department also has an E.S.C.A.P.E. trailer is filled with smoke and children are taught how to exit safely.

Businesses also receive demonstrations in the proper use of fire extinguishers. These Programs are also conducted for the elderly at nursing homes, retirement homes and the Senior Center.

Tours of the engine houses are also scheduled on a regular basis where fire prevention is instructed for children and adults. They become familiar with fire equipment, apparatus, and firefighter gear.

Our department has three personnel, nationally certified as child passenger safety technicians. Car safety seat checks are conducted free of charge at all the fire stations in the City. They can be scheduled by contacting the Fire Chief's Office.

The Department has a Fire Investigation Unit to help determine the origin and cause of fires. We currently have 9 certified fire investigators on the department.

The Belleville Fire Department also has a smoke detector program. Smoke detectors are given to and installed in the bedroom of all newborns that are born at either of the two hospitals in Belleville. Smoke detectors are also given to the senior citizens as well as low income families. They also change the batteries for the elderly and the disabled.

Emergency services must grow with the City. In order to maintain a level of professionalism that gives the citizens of Belleville the best fire protection available for their money.

Department Goals for 2014/15 are as follows:

1. To continue to provide the best fire prevention and suppression for all of the citizens of Belleville with the level of resources provided.
2. To stress the importance of operating smoke detectors and to provide smoke detectors and replacement batteries for the newborns, elderly or persons who cannot afford them
3. To provide speakers to any group stressing the importance of fire prevention.
4. To upgrade equipment and training to maintain our ISO 3 classification.

STREET DEPARTMENT

Department Number: 01-53

The Street Department, garaged at 801 Royal Heights Road is responsible for maintaining over 500 lane miles of roadway and 60 miles of alleys. The Street Department consists of a Director of Public Works, an assistant Director, secretary and fifteen street workers.

Duties include sign replacement, snow and ice control, concrete repairs, installing guardrails and concrete barriers, crack sealing and repairing road edges, litter control, right-of-way mowing and weed spraying, street sweeping, right-of-way tree trimming and removal, and pothole repairs. Additionally, the Street Department is also the 'Emergency Response Department', and responds to Police and Fire when asked to assist with barricades to block areas for various emergency purposes; performs clean-up measures following vehicle accidents, fires and severe weather incidents.

The Street Department is also responsible for flood control. Ditching or re-establishing ditches that have silted in or creating additional ones are done on an as needed basis as well as culvert repair and replacement, catch basin and detention basin cleaning and repairing. The Department also hauls and supplies rip rap, dirt and rock for erosion and flood control.

This department oversees traffic control, which includes signs and street markers; replacing or repairing damaged, missing or old signs. Last year we replaced over 900 signs which included numerous other informational signs, warning signs and traffic control signs, along with posts and brackets, costing over \$25,000. The Street Department also replaces traffic lights and crosswalk lights. Stolen, lost or found bicycles and other property are picked up, tagged and stored by the Street Department; further assistance to the Police Department is given by transport of large evidence and other stolen merchandise.

The Street Department assists with detours, traffic control, and clean-up, related to various organizations, civic groups, and schools for picnic, parades, and field days; downtown festivals, events and associated promotional activities in the downtown area; miscellaneous block parties, fundraisers, 5-K runs and other charitable events held throughout the City. Banners promoting events, and noting anniversaries of various organizations, schools, etc. are hung by the Street Department.

The salt barn, located on Freeburg Avenue, was utilized in the winter of 2008. The Street Department has been able to purchase some newer equipment and vehicles in the past few years, and will continue to work on maintaining the new and aging equipment and vehicles.

PARKS DEPARTMENT

Department Number: 01-54

The Belleville Parks Department is charged with the responsibility of maintaining all parklands within the city limits of Belleville, an area covering approximately 16 square miles and consisting of approximately 250 acres of park land. In addition to the 250 acres of parkland the department also maintains about a dozen ball diamonds at the schools and parks that are used for department programs.

The City of Belleville Parks Department opened our Bicentennial Park on May 1, 2013. This is our most “rustic” Community Park with natural trails and 5 fishing ponds totaling 43 acres. The park is conveniently located off the 17th Street corridor, at 4811 Belleville Crossing Street. The “Kimball Plaza” development includes a wedding-like gazebo, ADA fishing pier, a “tree” themed playground, a spectacular movable art sculpture “Whimsical Palm”, a restroom facility and a lighted parking lot. Recently we were awarded the IDNR-OSLAD grant to continue developing this park at the 21st Street entrance. This development will begin in 2015, which will include: pavilion, restroom, additional trail expansion and a large playground.

Belleville’s first Dog Park is located in Rotary Park, 110 N. 6th Street and has had an overwhelming response of approximately 400 memberships. This premiere park opened in August and includes agility equipment for both small & large dogs in the fenced area, totaling 2.5 acres.

Our major goal for the Parks & Recreation Department is to work towards the development, construction and completion of several awarded Grant projects in the next few years, in addition to the implementation of the Parks Master Plan for the bike trail extensions. Park grant improvements will be seen at Jaycee Park, South Side Park, Hough Park, Laderman Park, and Bicentennial Park. We take pride in our park system and with the four full-time Parks employees and seasonal part-time employees we strive to provide the proper maintenance of these areas and enhance and improve the quality of life for the people of Belleville.

PARKS & RECREATION...THE BENEFITS ARE ENDLESS.

CEMETERY DEPARTMENT

Department Number: 01-55

Walnut Hill Cemetery, owned and operated by the City of Belleville, is conveniently located in the southeast quadrant of the City off IL Route 177. Walnut Hill has faithfully served Belleville families since 1850. Staffing includes three full-time maintenance workers and additional assistance from four part-time workers in the summer months.

When the big cholera epidemic hit Belleville in 1849 the citizens did not want the victims of cholera to be buried nearby in family plots. As a result our officials sought a municipal burial plot and thus Walnut Hill was born.

Comprised of 162 acres of gently rolling grounds, Walnut Hill Cemetery is one of the last area cemeteries to permit above ground monuments and headstones. One of the oldest and most historic public cemeteries, Walnut Hill is also the site of a Civil War Memorial, Veterans of Foreign Wars Memorial, Lawn Crypts and numerous significant ground monuments. Providing a remarkable source of history and beauty, Walnut Hill Cemetery offers a tranquil sanctuary for remembrance of loved ones.

SANITATION DEPARTMENT

Department Number: 01-56

The Sanitation Department is located at 2115 Freeburg Avenue. The department consists of a Director, an Assistant Director, a foreman, 15 drivers and 1 secretary. This department has many responsibilities. They enforce the City's sanitation ordinances and regulations with the help of three Belleville Community Police Officers.

The full-time staff offers refuse, landscape materials and recyclable pick-up. Residents of the city receive a weekly pick-up at their home. The Sanitation Department has 11 trash trucks, 3 yard waste trucks and 3 recycling trucks that go out each day.

Trash fees are billed along with the sewer bill every month. The cost is \$18.00 per month. Senior citizens receive a discounted price of \$14.00 per month. The City also offers a large item pick-up for a \$45.00 fee. The City organizes a litter pick-up annually, which involves hundreds of volunteers from the schools and civic organizations. In 2008 the City had their 5th City-wide pick-up, and collected 430 tons of trash at a cost of \$48,000. In 2012 the City had their 6th City-wide pick-up, and collected 236 tons of trash as a cost of \$37,252. Donations were received from many businesses as well as individuals which helped to defray the expense.

Our goals remain the same: We do our part to keep our City clean and beautiful and encourage our residents to do the same.

Commingled Recyclables	N/A	N/A	N/A	974,520	899,214	902,749	1,109,460

While the City encourages recycling, it is not mandatory. The above table shows the pounds collected of each type of material collected over the last seven year period. In 2010, the City began single-stream recycling in which the different types of recyclables are no longer separated. This program should make recycling easier for the residents and the City. The City collects from approximately 20,396 residential customers on a weekly basis.

POLICE & FIRE COMMISSION

Department Number: 01-58

The Police and Fire Commission consist of three members appointed by the Mayor for a three year term. The Chiefs of the Police and Fire Departments are not covered by the rules and regulations of the Board as they are subject to the Mayor and/or City Council as defined by ordinance.

The duties of the Commission are to participate in oral examinations for appointments and promotions to the Police and Fire Departments. The Board also handles all of the hearings of charges, removals, suspensions, discharges and leaves of absence.

LEGAL DEPARTMENT

Department Number: 01-60

The City's legal department is made up of the City Attorney and the Assistant City Attorney. The City Attorney acts as corporate counsel to the City and serves as the attorney for the Board of Police and Fire Commissioners. As such, he provides legal advice to all departments of the City. His duties also include attending Council meetings, drafting ordinances or other legal documents that the City might need, and handling any litigation filed by the City or against the City.

The Assistant City Attorney acts as attorney for the Zoning Board and Street Graphics Review Board. His duties also include prosecuting ordinance violations and handling demolition cases for the City.

HEALTH & HOUSING DEPARTMENT

Department Number: 01-61

The Building, Health & Housing Department is located in the Public Services Building at 213 South Illinois Street, which allows easy access because it is within walking distance from City Hall. Business hours are from 8:00 a.m. to 5:00 p.m. Monday through Friday. The department has one director, a manager, four secretaries, five full-time inspectors, six part-time inspectors, and three full-time code enforcement officers, assigned to the department from the Belleville Police Department.

Any improvements to private property within the corporate limits of Belleville do require appropriate permits to be obtained through the Building, Health & Housing Office. The fees for the permits vary as to the size and scope of the project. Applications for permits and information on building codes and zoning regulations can be obtained at the office. Last year the Housing Department issued 321 building permits at a construction value of almost \$33,766,987. The City of Belleville is made up of nearly 36% rental units and therefore is making a concerted effort to encourage single family homes. Our efforts are apparently working because last year nearly 27 new single family homes and 3 single-family attached condos were built in Belleville.

As noted above, all construction in Belleville must conform to the adopted codes and ordinances and appropriate permits obtained before work commences. Residents are advised to contact the Building, Health & Housing Office before any work of this nature is contracted, to determine if a permit is required and if the contractor is licensed or bonded by the City.

Residents moving into Belleville are advised that a "Certificate of Occupancy" is required to be obtained before the residence can legally be occupied. An inspection of the dwelling unit is conducted by the City to ensure that there are no substantial defects and violations of the "Property Maintenance Code" that must be corrected before occupancy is permitted. Critical areas of inspection include the electrical and plumbing systems, exterior and interior structural elements, and other areas that are readily visible. During the year 2013, 2,774 occupancy permits were issued.

Complaints regarding derelict properties are handled through the Building, Health and Housing Department with the assistance of the Belleville Police Department to enforce nuisance ordinances and regulations. The Building Health and Housing Department is helping to clean up the City of Belleville. During 2013, 240 court action citations for nuisances were filed. Our property values are increasing as our citizens take more pride in their neighborhoods.

The Housing Department has been recycling our used police cars to provide uniformity in transportation for all housing inspectors. This results in better reliability for the inspectors and less use of personal cars. All housing cars are appropriately marked.

The Housing Department implemented the Crime Free Housing Ordinance on November 1, 2013. 1,363 landlords/owners have been certified and 7,021 rental units have been registered under this program.

Goals for 2014-2015: Increase public awareness of housing inspection program, evaluate and review housing inspection procedures and requirements. One of the City of Belleville's highest priorities is to improve the quality of neighborhoods through enforcement of maintenance standards as well as pursue the demolition of sub-standard, vacant structures. The City succeeded in the demolition of 15 condemned structures in 2013.

ECONOMIC DEVELOPMENT AND PLANNING

Department Numbers: 01-62

The Department of Economic Development and Planning of the City of Belleville has two (2) primary focuses, both of which are designed to enhance the City's opportunities and overall quality of life. They are the expansion or creation of additional and diverse economic bases and creating a pro-development posture via pro-active development controls with preservation and growth having equal importance. Specifically, the City Staff divides its efforts equally between the two major focuses.

Accomplishments in the past year include:

Happenings in Belleville 2013

1. Lindenwood University completes construction of a 2-story women's dormitory on its campus.
2. Lindenwood University announces construction of a 3-story men's dormitory to be completed in 2014.
3. Art on the Square named #2 Art Show in the nation for 2013.
4. City of Belleville passes Crime Free Housing ordinance.
5. City of Belleville launches new website, www.belleville.net
6. City of Belleville begins the revisions of its Comprehensive Plan, which will guide growth and development of the city over the next 20 years.
7. Work begins on the first phase of the West Belleville Bike Trail, that will connect Citizen's Park to Bellevue Park.
8. City of Belleville is awarded a \$1,293,640 in Illinois Transportation Enhancement Program (ITEP) Grant for the second phase of the West Belleville Bike Trail, that will connect phase one of the trail to the Signal Hill Bike Trail.
9. City of Belleville receives \$25,000 grant from the St. Clair County Parks Grant Commission for the development of Rotary Dog Park.
10. Rotary Dog Park opens near downtown.
11. The first phase of Bicentennial Park opens on Belleville Crossing Street.
12. The second annual "Belleville Helping Belleville" Day, in conjunction with the Belleville Neighborhood Partnership, occurs, with three (3) community service projects with over 100 volunteers.
13. The "Big Day of Service" occurs in July with over 1,200 volunteers completing 24 service projects throughout Belleville.
14. Preparations begin for the City of Belleville's Bicentennial to be held throughout 2014.
15. Replacement Services begins \$978,000.00 renovation to former YMCA/Turner Hall Building.
16. City of Belleville receives \$335,000 grant from IDNR for improvements at South Side Park.
17. State Police Crime Lab continues construction and is scheduled to be completed in 2014.
18. South 23rd Street improvements are completed.
19. City of Belleville continues its \$44,000,000 wastewater treatment plant expansion.

20. Over 30 Business Occupancy Permits issued by the City of Belleville, including:
 - a. Mary's Hidden Treasures: 800 East Main Street
 - b. Plumbers Supply Company: 400 West Monroe
 - c. Harpy IT Solutions: 625 East Main St.
 - d. Facial Rejuvenation Center: 3 North High St.
 - e. Happy Hop Homebrew: 122 East Main St.
 - f. East End Auto Sales: 1013 Sherman St.
 - g. The Patriot Restaurant: 20 South Belt West
21. Chick Fil-A opens new restaurant at Green Mount Commons.
22. The First Annual "Belleville Ale Fest", sponsored by the Belleville Chamber , is held at Belleville Crossing.
23. McClintock Avenue improvements begin.
24. Belleville Neighborhood Partnership continues growth with several new neighborhood watches and associations.
25. City of Belleville hires Geographic Information Systems (GIS) Coordinator.
26. Joseph Gass Park is created by a partnership of the Pleasant Hill Neighborhood Association, volunteers and the City of Belleville on West "C" Street.
27. Ben's Crafts & Floral completes a \$450,000 expansion in downtown Belleville.
28. City of Belleville Police Department hired three (3) Community Service Officers.
29. City of Belleville hired one (1) new police officer, bringing the Police Department to 83 officers.
30. St. Peter's Roman Catholic Cathedral begins planning Cottages at Cathedral Square, a 2.272 acre PUD that will consist of attached single family (multi-unit) housing and a two-story 16 unit residential building for elderly residents in a gated community setting. Property clearing and demolition to begin in early 2014.
31. My Little School Daycare opens at 423 South Illinois Street.
32. The Center for Racial Harmony relocates to 207 North 2nd Street.
33. City of Belleville approves Resolution to Support Complete Streets.
34. City of Belleville plans for third phase of Belle Valley Industrial Park.
35. St. Paul's Home breaks ground for new \$29.5 million nursing home.
36. The Pleasant Hill neighborhood is designated as a "Get Up & Go Neighborhood" by the St. Clair County Health Department.
37. FCB bank purchases 401 South Illinois Street for its first Belleville location.
38. The City of Belleville hires the Lawrence Group to complete a feasibility study, which will lead to a new police department and upgrades to City Hall.

MAYOR'S OFFICE

Department Number: 01-82

Belleville operates under a Mayor-Council form of municipal government. The Mayor is the Chief Executive Officer of the City and performs all duties prescribed by law. The Mayor is elected to a four-year term, as are the City Clerk and City Treasurer. The Illinois Liquor Control Act commissions the Mayor as the local liquor control commissioner with the power to enforce all laws relating to the subject. In addition to these duties, the Mayor also appoints members to various boards within the City as well as Department Heads with the advice and consent of the City Council, except where specifically provided by ordinance. In addition to these duties, the Mayor also attends numerous community functions, represents the City with various civic organizations, and serves on several local boards.

The Mayor works with the members of the City Council to establish policies, procedures, and goals for Belleville. Goals for 2014/2015 include continued enhancement and enforcement of the housing ordinances, continued efforts to expand commercial and residential development in the City, the rehabilitation of our aging sewer system, including major expansion plans of our sewage treatment plant, extensive road repairs and development, an intensified effort to market our community, more beautification projects for the City, creating more efficient and responsive City departments, working towards an expedited business assistance program and the continued modernization of our record keeping capabilities and the ongoing effort to promote public safety. This year, our community celebrates 200 years of history, tradition and progress. Many events are planned for our Bicentennial Anniversary thanks to our countless sponsors, volunteers, and city staff. In June, the City expects to adopt the updated comprehensive plan and the City will also accept proposals for codification services, publication and supplement services for the municipal code of the City of Belleville. Our new police station will be underway at the future site that will be located at 720 West Main Street. Plans are also in process to make City Hall ADA (American with Disabilities Act) compliant. The City has also partnered with the school districts to promote Belleville as a Community of Character, and is proud to have been named an All America City for 2011 by the National Civic League.

Belleville is a home rule municipality and may pass ordinances regulating the areas of building, zoning, sanitation, nuisance, civil disturbance, and all other matters of public health, safety, morale and welfare unless specifically restricted by state law or other provisions of the constitution. It may supplement state law as long as the ordinance does not try to reduce minimum standards or provide for a lesser penalty than state law imposes.

FINANCE DEPARTMENT

Department Number: 01-83

The Finance Department is responsible for the financial and accounting functions of the City. Principal functions include coordination of budget preparation and budget monitoring, preparation of the tax levy, working with the City's auditors, maintenance of revenue and expenditure accounts, processing of all cash disbursements and dissemination of monthly financial reports. The Finance Department is responsible for the issuance and recording of all purchase orders, receives all invoices, verifies receipt of goods or services Citywide and processes all payments. The Director of Finance is also responsible for adherence to Federal and State regulations to ensure compliance with proper accounting regulations.

The Finance Department consists of three employees; a Finance Director, a Clerical Supervisor, and an Accounts Payable Clerk. The Department processes approximately 7,000 accounts payable checks annually. The Finance Department works in conjunction with the Finance Committee and records all minutes of meetings. The Finance Department has restructured the chart of accounts to more closely follow DCCA's recommendation. The Finance Department maintains a filing system that keeps two years of invoices maintained in the office.

HUMAN RESOURCES/COMMUNITY DEVELOPMENT DEPARTMENT

Department Number: 01-84

The Human Resources Department oversees the hiring process for all City positions, except Police Officers and Firefighters. This process includes advertising, processing and evaluating employment applications, and participating in the interview and selection process. The Human Resources Department maintains all personnel related records and files for all City positions, except Police Officers and Firefighters.

The Human Resources Department is responsible for the development and administration of personnel and employment related policies throughout the City. The department also assists with the training and development of City employees.

The Human Resources Department is also responsible for administering the City's Risk Management Program to minimize loss from exposure to property, liability and personnel risks. This department serves as liaison between the City and the insurance provider to expedite all claims.

The Human Resources/Community Development Department assists with human relations issues in the City, facilitating the City's Community Development Commission. The Department provides oversight at the Belleville Neighborhood Partnership meetings and activities, and serves as liaison between the City Government and various organizations such as the Belleville Human Relations Commission, the Center for Racial Harmony and others.

CLERK'S OFFICE

Department Number: 01-85

The Municipal Clerk along with the Tax Collector is the oldest of public servants. The clerk is the direct link between the citizens and their government. The Municipal Clerk attends at least 24 meetings annually of the City Council and keeps a full journal of its proceedings. The Clerk is responsible for filing all city records, approximately 200 ordinances annually, 100 resolutions, and 180 City vehicle titles. The Clerk is accountable for the issuance and record keeping of over 500 city business licenses, 1,600 fire inspections, several city leases and yard sale permits.

The Municipal Clerk is the custodian of the municipal seal. Since certified copies of municipal documents are evidence in the court of law, one of the clerk's duties is to prepare copies of documents in their custody and certify as to their correctness. The Freedom of Information Act, the Open Meetings Act, the Americans with Disabilities Act, the Right to Privacy Act, the Truth in Taxation Act are all adhered to strictly by the Municipal Clerk for the municipality. The Clerk is also the Freedom of Information Officer for the City of Belleville.

Another important function of the Clerk's Office is managing the city's health insurance program. The Clerk's Office also handles all payroll functions and issues approximately 10,000 payroll checks annually. The City has approximately 350 full time employees who are paid 26 times per year. Our payroll is over \$19,000,000 annually. This Department is responsible for the Illinois Municipal Retirement Fund and they file all monthly, quarterly, and year-end tax reports, as well as issuing W-2's for all employees.

You can visit our website @ www.belleville.net to view the latest City Council Meeting agendas and minutes. Other documents are also available along with the revised Code of Ordinances. The paramount challenge for clerks in the electronic age is to retain the people's confidence as an impartial administrator and trusted public servant. Recently, the Illinois State Archives has microfilmed 24 volumes of city council minutes from 1846-1951, Belleville City Ordinances from October 1877-June 1927, Belleville Township Minutes 1935-1971, Motor Fuel Tax Meeting Minutes 1938-1979, Burial records 1878-1888, Death Records 1888-1923, Justice of the Peace Dockets 1901-1925, and Belleville Board of Local Improvements Minutes 1897-1932. All records are available at the Library.

TREASURER'S OFFICE

Department Number: 01-86

The Treasurer is elected for a four-year term along with the Mayor and the City Clerk. He is the custodian of all City Funds. The office is responsible for two different departments: the Treasurer's Office, and the Sewer Billing and Collection Department.

The Treasurer's Office receives all monies belonging to the City of Belleville, pays all warrants signed by the Mayor and countersigned by the City Clerk and keeps a separate account of each fund or appropriation. All monies received by the Treasurer's Office are deposited within 48 hours as part of a checks and balances policy. All bank reconciliations are done in the Treasurer's Office, while all checks are produced in the Finance Department. The City of Belleville expects to receive approximately \$108,000,000 in revenues in the 2014-2015 fiscal year.

After the annual audit is completed by no later than six months from the start of the fiscal year (May 1) or by October 31, the annual Treasurer's Report is generated in the Treasurer's Office, published in the local newspaper, and filed with the County Clerk.

The Police and Firemen's Pension Funds are also under control of the Treasurer. By state statute the City Treasurer is the custodian of both the Police and Fire Pension Funds. These funds have a combined total of approximately \$53,000,000, most of which is invested through money managers.

MAINTENANCE DEPARTMENT

Department Number: 01-87

The City's Maintenance Department provides a variety of services to City owned property. Buildings are constantly being updated making them more energy efficient thus saving the City money. A staff of eight personnel takes care of approximately twenty buildings including the beautiful Veterans Memorial Fountain and also the Gateway Fountain on North Illinois Street.

The Maintenance Department performs duties such as plumbing, electrical, painting, repairs, roofing, heating, cooling, moving and placement of offices, computers, and telephone lines. We also assist other departments in emergency problems like power outages, accidents, heavy item pick up, and many other recycling activities.

ENGINEERING DEPARTMENT

Department Number: 01-88

The Engineering Department is responsible for the planning, design, construction and long term maintenance of all roadways and bridges in the City of Belleville. The Engineering Department is responsible for administering the City's Capital Improvement Program. This consists of preliminary investigations of known and purported problems, assessment of alternatives to resolve the problem, coordination of project design and finally, management of the project construction. The Department also acts as an internal consultant to advise and assist the other departments of the City in engineering related problems, which they may become involved.

The department is presently made up of three individuals. The City Engineer, a licensed engineer under the laws of the State of Illinois, a secretary who handles the administrative duties of the department, and an assistant construction inspector. At most points in the year there are also two individuals who work on a contractual basis to handle construction inspection.

The department is responsible for over seven million dollars in capital improvements. Some key projects for FY 2014/15 include; C Street, South 8th Street, Signal Hill Bike Trail, North Illinois Streetscape, 2014 Ditching, Infrastructure, Asphalt, Sidewalks, Pavement Markings, Traffic Signals and Concrete Patch, Citizens to Bellevue Park Bike Trail, and miscellaneous Parking Lots repairs.

PUBLIC LIBRARY

Fund 04

The City of Belleville operates one of the oldest public libraries in the State of Illinois. With a main facility and satellite, Belleville Public Library has more than a quarter million books, videos, audio books, CD's, DVDs, and computerized databases, and is an educational and cultural hub of the City. It provides a forum for public speaking events, public meetings, voter registration, genealogical and historic research and a variety of free programs for adult enrichment. Our exceptional program for children is a hallmark of the Belleville community and aims to capture the life-long interest of young people in reading and learning. Expanded library services include wireless internet for our patrons.

The library is overseen by a nine-member Board of Trustees appointed by the Mayor. An administrative assistant and twenty-six staff members assist a Library Director. Together this group of people maintains the daily operation of the library.

The Belleville Public Library is located at 121 E. Washington Street, and the West Branch is located at 3414 West Main Street. Both are fully accessible to all members of the Belleville community who either "stop in" or choose to access services via the internet. During this critical economic period in the nation's history, the library serves many job seekers by providing internet access to job search programs.

During fiscal year 2014/15 the library will undergo a nearly one million dollar renovation to the main library and cosmetic improvements to the branch. These improvements to the physical structure as well as changes in resources and services offered will solidify the library's place as an indispensable part of the community.

SEWER OPERATION & MAINTENANCE

Fund 21

The Sewer Operation and Maintenance Fund is divided into three departments; Collections, Sewer Lines and Sewer Plant. The City provides sewer services to a great majority of its residents and certain surrounding communities as well. All revenues generated from sewer charges are deposited in this fund. Transfers are made to fund the Bond Issues and IEPA Loans. The balance is used for the operations of the plant, lines and administrative departments. All capital improvements are budgeted through the Sewer Construction Fund.

Improvements have begun for an \$80,000,000 program of sewer- plant expansion and the separation of storm-water and sanitary sewer lines as required by the Environmental Protection Agency.

SEWER COLLECTIONS

Department 21-75

The Sewer and Trash Billing Department generates all sewer and trash bills for the City of Belleville, and it receives and deposits the monies collected. The combined Billing and Collections Department has five full-time employees. The City bills customers monthly and bills for most rental property are in the names of the property owners. The department generates approximately 250,000 bills per year for sewer and trash customers. Customers who are significantly delinquent in paying their accounts may be placed on level-pay billing. These customers are required to pay current charges each month plus a predetermined amount toward retiring their debt. In its proactive policy for debt collection, the City has an agreement with the Illinois American Water Company whereby the water company, at the City's request, will shut off water service to sewer-trash customers who do not pay their bills. Liens are placed on the property of the most recalcitrant debtors. These actions and the threat of the actions have greatly increased the City's ability to secure payment for service.

Sewer bills are based on the amount of water consumption. For the 2014-2015 fiscal year sewer billings are expected to be approximately \$7,616,000 and billings for trash pickup is to be approximately \$3,100,000. The money collected for trash services is transferred to the General Fund each month. The General Fund pays all bills for the Sanitation Department such as salaries and landfill fees.

Payment may be made by cash, check, money order, credit card, and automatic withdrawal. The City continues to strive both for improved collection and for efficiency and accuracy in processing payments. The goal is excellent customer service.

SEWER LINES

Department 21-77

The Sewer Lines Department is staffed with 8 employees that operate and maintain 300 miles of sewer lines owned by the City. This department is responsible for repairing and replacing any sewer line that might collapse or tearing out old lines and replacing them with newer PVC (polyvinyl chloride) lines. This department operates a vactor truck for flushing and clearing sewer line clogs and a rodder truck for root cutting in areas where sewer lines are susceptible to root intrusion. This department is also responsible for J.U.L.I.E. locates, which is the location and marking of any City owned sewer line due to construction projects or emergencies.

Because this system is a combined sewer system, during heavy rains most of the Sewer Lines Department, including management, are answering calls dealing with basement back-ups and flooding.

Major storm water and sanitary sewer separation projects have solved some severe flooding problems. However, much more still needs to be done to separate this combined sewer system. The City is now working towards eliminating back-up problems in the East Creek sewer shed with the completion of the Infiltration and Inflow (I&I) study, and many construction projects to eliminate by-pass pumping in that area

A concentrated effort will be placed on removing as much storm water and infiltration from this collection system as possible. Therefore, this department will conduct more smoke testing of problem areas that will lead to the disconnection of roof drains, foundation sump pumps and catch basins that are connected to the sanitary sewer system. The more rain water, ground water and any other unpolluted water that can be removed from the sewer system will reduce pumping and treatment costs.

The Sewer Lines Department is now taking a proactive rather than reactive approach to sewer line cleaning with the implementation of our sewer line collection system cleaning program. This proactive approach will reduce back-up calls and keep the City compliant with our NPDES permit. The IEPA has recently approved our Long Term Control Plan (LTCP) for mandated elimination of the City's combined sewer overflows. Construction of the first and second in complete and the third phase design is nearly completed.

SEWER PLANT

Department Number 21-78

The City owns and operates a Treatment Plant that is permitted to treat and discharge 8 million gallons per day and excess flow capacity of 16 million gallons per day. The treatment plant operates 24 hours per day, 365 days per year and has at least one operator on duty at all times. This department operates and maintains 50 satellite stations that pump sewage from different parts of the City into approximately 300 miles of sewer lines. Some parts of the sewer collection system are combined sewers that carry both sanitary sewage and storm water. The Wastewater Treatment Plant was built during the 1930's and went into operation in 1938. Most of the original buildings are still used and some of the original equipment that operated 70 years ago is still operating today. The last major improvements to the plant were completed this year and included a 4.4 million gallon per day (MGD) plant expansion, digester upgrade, tertiary filter upgrade, various electrical upgrades and construction of a large combined sewage pump station. Other improvements were made to the headworks, concrete structures and electrical upgrades to three lift stations. This publicly owned treatment works, referred to in Federal Regulations as a POTW is closely scrutinized by the Environmental Protection Agency. Any violation of the compliance requirements can cost the city \$10,000 per day per violation.

The Pre-treatment program, as mandated by the Federal Consent Decree of 1988 is responsible for sampling, inspecting and enforcing all rules and regulations that pertain to all Significant Industrial Users of the City's sewer system. The Combined Sewer Overflow Program requires sampling and inspecting 15 permitted outfalls throughout the community within 24 hours of each rainfall. The City's EPA mandated long term control plan, (LTCP) is under construction. Phase three of the LTCP is now in design and includes a large pump station and sewer piping to remove four permitted combined sewer overflows (CSO's). This is a project costing approximately \$20 million and should be bid in the fall of 2014.

Goals for the 2014/2015 fiscal year include bid award of the phase three LTCP project. We will rehabilitate several walkways, and upgrade interior facilities at the original plant.

TIF 3 FUND

Fund 38

The Tax Increment Financing (TIF) 3 Fund, a special revenue fund, was established in 1986. The District encompasses a large portion of the entire corporate limits of Belleville. The purpose of the TIF was to provide funding support for several commercial projects including the Westfield Plaza development located along 74th Street and Old St. Louis Road. Numerous projects located in the Belle Valley Industrial Park (Phase I and Phase II), on Illinois Rt. 177/Mascoutah Avenue, have taken advantage of TIF 3 incentives. The construction of the Richland Creek Office Complex on West Main Street was also assisted through this TIF. In addition, the City has intergovernmental agreements with several of the school districts having properties within the TIF whereas the City rebates the various districts for the loss of property taxes based on a formula of the base year assessment (when the TIF was formed) compared to their tax levy and the current tax base for the entire TIF. Several other projects have received assistance from TIF 3 such as Carlyle Plaza, the 170,000 square foot Magna (Regions) Operations Center at Route 15 and South 74th Street, and Belle Valley Industrial Park (Phase I and Phase II).

There are certain eligible costs that can be paid for with TIF monies. These costs include infrastructure, acquisition and demolition of property, public infrastructure engineering fees, and others as outlined by State law.

TIF 3 funds will be used to assist in the expansion of the wastewater treatment plant, numerous public improvements and several commercial projects including site improvement costs for the Ruler Food project.

PARKS PROJECTS FUND

Fund 02

This special revenue fund was created to collect donations and proceeds from various fundraising events for park projects. Many donations received in this fund are given for a memorial tree or park bench to be placed in one of our parks in memory of a departed loved one.

This fund also allows the flexibility to accumulate small donations for the future purchase of a large item or project that takes a couple of years to collect the amount needed. In addition to the flexibility, this fund also allows individuals with a special interest to donate assuring that their donation will go to the specified project, such as; sculptures for the Richland Creek Greenway Sculpture Walk, the Whitey Herzog Field, the Dog Park in Rotary Park and others.

This fund is an excellent means of accepting donations from the business and public sector for support in community based projects and programs.

INSURANCE FUND

Fund 03

The Insurance Fund was established in FY 2007/08. It was created when the City decided to become partially self-insured. The premiums that the City would normally pay the insurance company are deposited in this fund. The administrator, IPMG, bills us for fixed costs as well as claims, on a weekly basis. Any unused funds will be allowed to accrue. The City hopes to reduce our overall health insurance costs, as well as keep the premium increases tied to the cost of living.

FIREMEN'S PENSION

Fund 05

The City of Belleville levies a tax, as calculated by the State of Illinois, for pensions for firemen. For fiscal year 2014/15, the City is contributing \$2,185,147 to the Belleville Fire Pension Fund. This will be achieved by using the tax levy and the replacement tax. By combining these two sources of revenue, the City's contribution to the pension fund will be more than the amount actuarially determined by the State to meet Section 4-118 of the Illinois Pension Code. The 63 firefighters participating in the fund will contribute about \$404,000. Belleville has 73 retirees drawing pensions, and this expense is expected to be about \$3,050,000.00 for the 2014/2015 year. This special fund pays for all expenses relating to the City of Belleville's retired firefighters.

The fund is governed by a five-member board, which meets monthly. The money manager for the board is PNC. PNC had control of the total assets of the fund. On April 30, 2014 the fund's assets were \$21,726,802.

PLAYGROUND & RECREATION FUND

Fund 07

On April 3, 1945, the Belleville Parks and Recreation Department began a proud tradition on community service. It was created to provide the residents of Belleville with wholesome recreational opportunities regardless of race, creed, sex, and age or physical capabilities.

This department serves the City's population of 45,000 residents with approximately one hundred various programs throughout the year for age groups ranging from toddlers to senior citizens. The Recreation Department is constantly offering new programs and expanding on existing programs to meet the community's interest. Visit the Parks & Recreation Department on our webpage: www.bellevilleparksandrec.com or www.belleville.net and Facebook: Belleville Parks N Recreation. Learn all about the Parks amenities, activities, schedules, volunteering or use our "Online Reservation" to register for programs and facilities.

The Recreation Department is funded by both taxation and user fees. The essence of the Parks and Recreation Department's mission is to provide wholesome recreational resources in a fiscally responsible manner, without compromising the health and safety of staff members and park visitors or the beauty of the environment. We are committed to continuing the cooperative working relationships established in the community, especially the usage of the school facilities to provide the residents of Belleville with indoor athletic and leisure programs. After all, it is the community as a whole that we are here to serve, while making Belleville a better place to live or work. While the Recreation staff is quite small in the number of employees, their efforts and results stand the test of "We do the Work so you can Play."

POLICE PENSION FUND

Fund 08

The City of Belleville levies a tax, as calculated by the State of Illinois, for police officers' pensions. For Fiscal Year 2014/15, the City will contribute \$2,286,990 to the Police Pension Fund. This will be achieved by using the tax levy and the replacement tax. By combining these two sources of revenue, the City's contribution to the pension fund will be more than the amount actuarially determined by the State to meet Section 3-125 of the Illinois Pension Code. This fund presently has 84 participants which will generate approximately \$530,000.00 in employee contributions. There are 64 retirees who will draw about \$2,940,000 during fiscal year 2014/2015.

The pension fund is governed by a five-member board, which meets monthly. The fund utilizes the services of Zemenick & Walker, Inc as its investment manager. The value of the fund on April 30, 2014 was \$31,271,642.

TIF 1 FUND

Fund 09

The Tax Increment Financing (TIF) 1 Fund, a special revenue fund, was established in 1982. The District covers approximately a four (4) square block area northwest of the Public Square. The TIF was formed for the purpose of providing financing through an increase in property tax for the construction of the Magna Bank (now Regions Bank) project. TIF funds were used to finance land acquisition, sidewalk improvements, and municipal parking lots. St. Clair County has since purchased the Magna (Regions)

Building and relocated certain County offices to the facility. Magna (Regions) is leasing a portion of the space for their own use. The City has realized a decrease in the amount of incremental property taxes that this TIF produces since the building is under public ownership.

Other uses for the funds generated from this TIF have included the Main Street facade improvement program and the \$7 million downtown streetscape project.

The TIF 1 Fund transfers money annually to TIF 1 I& S Fund 62 for the bond payments associated with this TIF. This bond issue matured in the year 2000. TIF 1 TIF 1 funds were used for a Development Agreement for improvements to the former YMCA building in FY 2013-2014.

TIF 2 FUND

Fund 10

The Tax Increment Financing (TIF) 2 Fund, a special revenue fund, was established in 1985. The District covers approximately a two (2) block area northeast of the square bounded by Illinois Street, Jackson Street, Main Street and East "A" Street. The TIF was formed to provide funding support for the Nations Bank (Bank of America) Building. The City used incremental revenue for the purchase of the property, demolition of the old building, construction of a parking lot and other improvements. The Market Square building through the use of TIF monies has enjoyed increased occupancy as well as increased parking associated with the development of a lot at the corner of "A" and Jackson Streets.

Monies were transferred annually to the TIF 2 Bond I&S Bond Fund 63 for the purpose of paying for the bond issue associated with this fund. This bond matured in 2007.

In 2003, TIF 2 resources were used in assisting the relocations of two (2) businesses, a law firm and a clock retail/repair shop into TIF 2.

RETIREMENT FUND

Fund 11

In 2013/14, the City levied \$1,250,000 for payment towards non-sworn employees' pensions in the 2014/15 fiscal year. All IMRF (Illinois Municipal Retirement Fund) payments for employees paid from the General Fund are made from this fund. The monies needed for IMRF pension payments from the Library, Sewer Fund, and Playground & Recreation are paid directly from the individual funds. All other city employees, excluding fire and police employees, are paid directly from the Retirement Fund.

MOTOR FUEL TAX

Fund 13

The Motor Fuel Tax Fund (MFT) is financed through an Illinois state-wide tax on the sale of petroleum products. The City of Belleville receives a per capita share of these taxes. The City receives approximately \$1.1 million per year from this revenue source.

The use of the motor fuel funds is restricted to specific types of projects as allowed by State of Illinois law. Expenditure of MFT funds can be broken down as follows: Pavement Markings (2%), Maintenance Traffic Signals (4%), Sidewalk Replacement (6%), Asphalt Patches (6%), Concrete Street Patch (4%), Ditching

(4%), Street Department Labor (17%), Infrastructure Repair (6%), Maintenance Materials (20%), Engineering Observation (5%), McClintock Ave (23%), and Brick Patch (3%).

Maintenance Materials include the purchases of ice control materials, asphalt patch materials, gravel of various gradations, storm water culverts, and other road maintenance materials.

FOUNTAIN FUND

Fund 14

A committee of local business, labor, and civic men and women has been formed with the mission: "To provide a trust fund that perpetuates the Veteran's Memorial Fountain in Downtown Belleville that will maintain the highest quality standard for the entire area to admire."

The Veteran's Memorial Fountain was originally built in 1937, as a memorial to American servicemen. In 1985, a renovation committee was formed to raise funds for much needed repairs. Re-dedication of the renovated fountain occurred on May 3, 1986. Funds secured by the renovation committee in 1985 were then depleted and the City of Belleville then began absorbing current expenses.

On November 11, 1998 the Veteran's Memorial Monument was dedicated capping off a very successful campaign drive raising money for the upkeep of the Memorial Fountain for years to come. 1,560 Veteran's names were engraved in granite around an American flag on the southeast quadrant of the public square. The Veteran's Memorial Trust Fund Committee surpassed their goal by raising \$177,000. It cost approximately \$47,000 to erect the monument. The investment income from the remainder of the trust fund will be used to cover ongoing electrical and water expenses as well as repairs and renovations for the Fountain.

The Fountain has been completely sand blasted, sealed and painted on the outside. The inside has been completely renovated. Thanks to the Parks Department and Maintenance Department for all of their hard work maintaining the Fountain.

TORT LIABILITY FUND

Fund 15

The Tort Liability Fund was established in FY 2003/04. It was created primarily due to large increases in the cost of liability and workmen's compensation insurance. The City opted for a plan that has a higher deductible in order to reduce the premiums. This fund also receives approximately \$625,000 in property tax revenue. These monies will be used for the higher deductibles. Any funds remaining will be rolled over into next year. If the City can reduce claims, the monies accumulating in this fund, will be used to become completely self-insured over time.

WALNUT HILL FUTURE CARE FUND

Fund 18

Walnut Hill Cemetery has a volunteer board that oversees the investments from monies received for endowed care. When a grave is sold, 15% of the cost is put into endowed care. Those monies are transferred annually to the Walnut Hill Future Care Fund and invested. The interest from these investments is used for equipment or specific projects within the Cemetery. This year the Future Care monies will be used toward the purchase of equipment.

SEWER REPAIR & REPLACEMENT FUND

Fund 22

This fund holds revenue transferred annually from the Sewer Operation & Maintenance Fund for the purpose of replacing equipment such as pumps and electrical controls during the year. This is required by the IEPA on any equipment or structure purchased with state revolving loan money. The amount transferred is based on the inventory of replaceable equipment at the Sewer Plant. The funds are set aside and used when unforeseen repairs are needed to replaceable equipment. Funds budgeted for this year will go towards control panel upgrades at several lift stations and pump replacement.

SEWER CONSTRUCTION FUND

Fund 24

This project fund is used to pay for all major sewer projects. These include unexpected sewer line repairs and I & I (Infiltration and Inflow) studies, and the Long Term Control Plan (LTCP) that includes treatment plant expansion. Construction of the third phase of the LTCP is expected to start this fiscal year. Subsequent phases will be designed and constructed to complete this IEPA mandated LTCP by 2022. Estimated cost is \$120 million. I & I projects will be completed and designed this year as well.

Goals for the 2014/15 fiscal year include total upgrade of the existing infrastructure at the treatment plant, upgrades to the plant's headworks, and several sewer line extensions.

SEWER BOND & INTEREST FUND

Fund 25

This bond fund makes annual payments on seven low-interest IEPA loans received from the State of Illinois for a total of \$2,657,484. This debt service fund receives its funds via the Sewer Operation & Maintenance Fund from the collections of sewer bills, and the Sewer Construction Fund (for the IEPA loan related to the LTCP) from the money transferred into that fund from TIF each year to help pay for the project while keeping residents' sewer rates down. The 2011 GO Refunding Bonds mature in 2017, and the 2009 GO Refunding Bonds mature in 2028.

SPECIAL SERVICE AREA FUND

Fund 30

This special revenue fund receives revenue from a special taxing district that runs approximately 6 blocks both north and south of the fountain on Main Street. It was originally set up for the purpose of issuing bonds for the purpose of beautification and maintenance of the downtown area. Planters were built, benches installed and trees were planted as part of the project. The bonds were retired in 1998 and the businesses in this special district have opted to continue the tax to cover the cost of maintenance of the area planters, trees and lighting.

WORKING CASH FUND

Fund 31

This fund represents the City of Belleville's reserve fund. It is to be kept at a minimum of \$400,000. Should the General Fund need to borrow funds which would reduce the balance below \$400,000, it must be voted on by the City Council. The Fund now is valued at \$372,983. These funds could be used in case of an emergency.

LIBRARY GIFT ENDOWMENT

Fund 32

The Library Gift Endowment Fund was created from public donations to be used by the library. Earnings from this account are used to purchase books, equipment and furnishings to enhance the library collection and patron areas as specified by donors. A portion of interest earned is used to purchase photography, local history and music related materials for the library. This fund is maintained separately from budgeted operating funds.

TIF 4 FUND

Fund 39

This Tax Increment Financing (TIF) Fund, a special revenue fund was instituted in 1986. This District covers a small area located in the northeast corner of the intersection of Illinois Route 161 and North Belt West. It is located near the Memorial Hospital Metro Link Station. This district was put in place for a specific development that failed to materialize.

CAPITAL PROJECTS FUND

Fund 43

This capital project fund was used to pay for capital projects throughout the City. This fund has been depleted in prior years but the City deposited proceeds from a \$14,450,000 bond issue as well as revenue from grants and some TIF funds during FY 2005/06 to be used for a very aggressive Capital Improvement plan which includes but was not limited to; the Downtown Streetscape, Route 15 West Corridor, Carlyle and 161, 17th Street Extension, the Illinois Street garage and the purchase of land to build a salt dome as well as construct a place for the sanitation to move to when the plant expansion begins. The City expects to receive a grant in this fund from the State in FY 2014/15 to be used on infrastructure improvements.

BELLEVILLE ILLINOIS TOURISM FUND

Fund 44

The Belleville Illinois Tourism Fund was created in fiscal year 2007/2008. Prior to that year the hotel motel tax was turned over to the Greater Belleville Chamber of Commerce, who in turn used it to pay the Tourism Director and associated invoices from those funds. We now reimburse the Chamber for the Director's

salary, and all invoices are paid directly from this fund from the revenue generated through the hotel motel tax.

Belleville Tourism currently has more than 40 volunteers dedicated to greeting tourists who come to our area. Belleville has many attractions such as the Labor and Industry Museum, Historical Districts, Eckert's Country Store and Farm, special events and Festivals year round.

We have initiated an aggressive marketing plan which includes our beautiful new downtown streetscape, which has outdoor dining at many of our restaurants and new and inviting specialty shops.

The Tourism Division will be gearing up in 2014 with new visitor guides, calendar of events and walking tour guides of our historic districts, and celebration of the City's 200th Anniversary.

TIF 8 (DOWNTOWN SOUTH)

Fund 50

The Tax Increment Financing (TIF) 8 Fund, a special revenue fund, was established in 1999. The District covers, essentially, the area from Lincoln Street, between 3rd Street and High Street, and the railroad right-of-way. Three (3) commercial projects have been completed and several other commercial projects are in the preliminary stages of design. The base assessed valuation of this TIF was \$1,781,981.

The South Illinois Corridor project is complete as a plan to redevelop the area as a commercial and entertainment area centered on two (2) train depots and the Depot Connector Trail Bikeway. The corridor plan is complete and has generated a \$12,000,000 grant award from the Governor's Opportunity Returns program.

Several commercial projects have been completed included Duffy's Automotive and Joy Tribout Interiors. Infrastructure improvements are in the planning and construction phases. FCB Banks will receive TIF funds in FY 2014-2015 per a development agreement.

TIF 9 (SOUTHWIND ESTATES)

Fund 51

The Tax Increment Financing (TIF) 9 Fund, a special revenue fund, was established in 1999. The District includes five (5) adjoining lots consisting of 10 acres along Lebanon Avenue, between Central Plaza and Southwind Drive. Projects for 2000 in this district included the development of commercial buildings. The initial assessed evaluation of this TIF was \$3,000.

An office facility was constructed in 2006 with TIF 9 assistance.

TIF 10 (LOWER RICHLAND CREEK)

Fund 52

The Tax Increment Financing (TIF) 10 Fund, a special revenue fund, was established in 2000. The District is approximately 1,800 acres in size and is located in the southeastern quadrant of the city, between Illinois Routes 15 and 159. Several commercial and residential projects are currently being engineered around a floodplain. The base assessed valuation of this TIF was \$583,249.

There are certain eligible costs that can be paid for with TIF monies. These costs include infrastructure, acquisition and demolition of property, public infrastructure, engineering fees and others as outlined by State law. The Reunion mixed-use residential development is currently under construction and includes single-family homes, attached and detached on 95 acres.

TIF 10 funds were used to make improvements to Westhaven School Road in 2009/2010.

TIF 11 (INDUSTRIAL JOBS RECOVERY)

Fund 53

The Tax Increment Financing (TIF) 11 Fund, a special revenue fund, was established in 1999. The District is rectangular in shape and is located at the northwest corner of Greenmount Road and Illinois Route 177/Mascoutah Avenue, extending northward to Windrift Drive and westward, stopping parallel to College Avenue. The base assessed valuation of this TIF was \$137,550.

TIF 11 incentives were used to aid in the construction of Fairway Golf Center. This facility included a driving range and golf pro shop. This was the first project to be located in TIF 11.

The ultimate vision or goal is to increase commercial/retail property along one of the busiest roadways in Belleville, Greenmount Road.

TIF 12 (SHERMAN STREET)

Fund 54

The Tax Increment Financing (TIF) 12 Fund, a special revenue fund, was established in 2000/2001. The District is located in the east end of Belleville. It runs along Sherman Street/Rt. 161 from Orchard Drive, north to Lebanon Avenue then east along Lebanon Avenue to West Boulevard where it includes Goodall Trucking and Upchurch Concrete. Improvements to Belle Avenue were completed in 2009. Improvements to Page Avenue were completed in FY 2010. Drainage improvements in the area were completed in 2011.

TIF 13 (DRAKE ROAD)

Fund 55

The Tax Increment Financing (TIF) 13 Fund, a special revenue fund, was established in 2001. The District is located in the northwest portion of the city.

Various residential and commercial projects are ongoing and in the planning stages due to a sewer line extension funded in part through TIF 13 as a joint venture with the Village of Swansea. TIF 13 funds were used to improve the intersection at Frank Scott Parkway and Dapron Drive in 2011.

TIF 14 (ROUTE 15 EAST)

Fund 56

The Tax Increment Financing (TIF) 14 Fund, a special revenue fund, was established in 2003. The District is approximately 200 acres in size and is located in the southwest quadrant of the intersection of Greenmount Road and Illinois Route 15 and extends west to Jefferson Road.

TIF #14 funds were used to assist in construction of a roadway to accommodate a Tractor Supply store. Other commercial projects are in the planning stage with TIF monies anticipated to be used primarily for infrastructure projects.

TIF 15 (CARLYLE/GREENMOUNT)

Fund 57

The Tax Increment Financing (TIF) 15 Fund, a special revenue fund, was established in 2006. The District is 140 acres in size centered at the northeast corner of Illinois Route 161 and Greenmount Road.

TIF 15 funds were used in the development of a retail complex anchored by Lowe's Home Improvement Center and Super Wal-Mart in 2006 & 2007, as well as a number of out parcels in 2008 & 2009. We expect a significant increase in sales tax due to this new development, which totals in excess of \$110,000,000. A Chick Fil-A restaurant was constructed in TIF #15 in FY 2012-2013.

TIF 16 (ROUTE 15 CORRIDOR)

Fund 58

The Tax Increment Financing (TIF) 16 Fund, a special revenue fund, is proposed to be established in 2005/2006. The District is approximately 450 acres in size.

TIF 16 funds were used in the development of two (2) car dealerships in the area of Illinois Route 15 and Frank Scott Parkway West, both totaling in excess of \$13,000,000 in private investment, and public investment by the City exceeding \$5,000,000 for street and public works improvements. These dealerships assist in generating an increase in sales tax.

SPECIAL SERVICE AREA RESERVE

Fund 59

This Fund received its revenue from the Bond Proceeds of the 2005 SSA GO Bonds. This reserve fund was created in FY 2006/07. Its purpose is to hold funds should there be a shortfall in the Special Service Area Bond I & S Fund. Funds from the bonds will be used to partially fund the downtown streetscape project. This bond issue will mature in 2027, at which time any excess funds will be returned to the Special Service Area Fund. Its' current balance is \$113,135. This amount must be maintained according to bond ordinance.

SPECIAL SERVICE AREA I & S

Fund 60

This Fund receives its revenue from Special Service Area, Fund 30. This debt service fund was created in FY 2006/07. Its purpose is to make the principal and interest payments for the Special Service Area Bond Series 2005. Funds from the bonds were used to partially fund the downtown streetscape project. This bond issue will mature in 2027.

2011 TIF BONDS I & S FUND

Fund 64

This Fund receives its revenue from TIF 3 and TIF 14. Its purpose is to make the principal and interest payments for the 2011 Street Project Bonds issued in February 2011. The bond proceeds were used to finish a road project in TIF 14, needed when the Tractor Supply store was built. The remainder of the proceeds will be used to finish Phase IV of the 17th Street project. The bonds mature in 2031.

2011 BOND FUND I & S FUND

Fund 67

Revenue from this bond issue was used to develop the Route 15 West Corridor. Two car dealerships as well as 2 big box retailers have located there. The funds were used to build roads, and provide utilities to these projects. The payments on this bond issue will come from the ¼% sales tax increase that the City passed in January, 2006. The bond issue was for \$14,450,000. The first payment was due on July 1, 2007, and the bonds will mature on January 1, 2026. These bonds were refinanced in 2012 to provide over \$1,000,000 of savings over the remaining years until maturity.

POLICE TRUST FUND

Fund 71

This special fund is revenue from donations by the public to the Police Department. The primary uses for these funds include equipment purchases such as ballistic vests for officers and expenses incurred by the canine unit such as training for the dog and handling expenses.

NARCOTICS FUND

Fund 72

This fund is revenue resulting from narcotic seizures and forfeitures generally obtained from undercover operations. These funds are reinvested and used for other undercover narcotics investigations, which in turn lead to additional seizures and forfeitures. Both the Federal and State government also transfers money from illegal drug operations to local police departments to help in the war against drugs in our communities.

LOCAL LAW ENFORCEMENT BLOCK GRANT FUND

Fund 73

This fund was established to track revenue from a Block Grant allocated by the Department of Justice for local law enforcement. The Grant can be used to purchase necessary equipment for the Police Department in its effort to curb crime.

TIF 17 (EAST MAIN STREET)

Fund 75

The Tax Increment Financing (TIF) 17 Fund, a special revenue fund, was established in 2005. The District is approximately 24 acres in size and is located along East Main Street and is bordered by East 'A' Street on the north, Oak Street on the east, East Washington Street on the south, North Jackson Street on the northwest and the Public Square on the southwest.

TIF #17 funds were used in the downtown streetscape project, including infrastructure improvements. In FY 2012-2013, TIF #17 funds were used for a Facade Improvement Grant for a downtown business as well as infrastructure improvements.

TIF 18 (SCHEEL STREET)

Fund 76

The Tax Increment Financing (TIF) 18 Fund, a special revenue fund was established in 2008. The District is approximately 85 acres in size and is generally bounded by Scheel Street (north), North Missouri Avenue (west) and Carlyle Avenue (south). The overall plan for the area, as outlined in the City of Belleville 2000-2020 Comprehensive Plan, is for the redevelopment of the area, via an approved developer, to include a residential/commercial mixed use development. TIF 18 funds are anticipated to be used for infrastructure improvements to accommodate this redevelopment project.

TIF 18 funds were used for demolition of derelict structures in 2010 and 2011.

TIF 19 (FRANK SCOTT PARKWAY)

Fund 77

The Tax Increment Financing (TIF) 19 Fund, a special revenue fund, was established in 2006. The District is approximately 300 acres in size centered at the northeast corner of Illinois Route 15 and Frank Scott Parkway.

TIF 19 funds were used in the development of a retail complex anchored by Target and a Home Depot home improvement center in 2006 & 2007.

TIF 20 (RT.15/SOUTH GREENMOUNT ROAD)

Fund 78

The Tax Increment Financing (TIF) 20 Fund, a special revenue fund, was established in 2009. The District is approximately 30 acres in size and is located at the northwest corner of Illinois Route 15 and South Greenmount Road. This project was site specific and related to assistance for Eckert's Orchard and roadway improvements along South Green Mount Road.

TIF 21 (BELLE VALLEY III)

Fund 79

The Tax Increment Financing (TIF) 21 Fund, a special revenue fund, was established in 2010. The District is approximately 190 acres in size and is generally bounded by Illinois Route 13 and Green Mount Lane. This TIF district was established to aid in the expansion of Belle Valley Industrial Park Phase III.

TIF 21 funds are expected to be used for infrastructure improvements to accommodate Belle Valley III Industrial Park.
