PUBLIC HEARING

None.

PUBLIC PARTICIPATION

Mayor Eckert explained the new Public Participation wording included on the agenda and asked if anyone would like to come forward for the public participation portion of the meeting and said please state your name and address for the record and limit comments to approximately three minutes per person and to please speak into the microphone.

Michael Hagberg, Belleville, Illinois. A couple of items on the agenda have to do with the Shrine property. We were told in November “trust me you will have details in a couple of weeks” and then in

December we were told “trust me you will have details in a couple of weeks”. It seems this is moving along and there are no details given to the public other than “trust me it’s going to be a good deal”. Will the public find out what the deal is before the TIF is created, the enterprise zone is already done, the special business districts up there? We are throwing everything we can throw at these people but we have no idea who they are, whether they are reputable or not. Mind you, the County gave \$250k to a developer only to find out had they had time to research it they would have found out that developer was in crap loads of trouble with the IRS and it should have never have gone through. The public needs to know who this is, what they are and what their backing is before we start giving away the farm.

Mayor Eckert recognized the Belleville 200 executive committee for their volunteer efforts during the year of Belleville’s Bicentennial.

RESOLUTIONS

All members present voted aye.

City Clerk Cook read Resolution No. 3210 Inducement resolution.

Alderman Silsby made a motion seconded by Alderman Meyer to approve Resolution No. 3210.

Discussion...

Alderman Hayden asked if it takes a simple majority or a 2/3 majority for this resolution; City Attorney Hoerner stated simple majority.

Alderman Hayden asked if discussion of creating a TIF in a business district has gone before the finance and economic committee; Mayor Eckert stated no; however, it will. Alderman Hayden asked then why do we have to create these accounts; Mr. Norber stated specifically with the inducement resolution it recognizes the city may, in fact, create a TIF in the business district. This is among other things and an opportunity for the city to recognize its own costs prior to the establishment of either a TIF or business district and ultimately to pay itself back for money expended.

Alderman Hayden asked what costs and expenses is the city looking at and what account are those going to come from; Mayor Eckert stated the sewer is one of the things that will be explained further; however, the city is planning on putting in a sewer and wastewater is currently doing a preliminary investigation. The money will come out of sewer construction. With this some of the sewer cost can be repaid out of the TIF. Mr. Norber stated the city can pay itself back out of the TIF prior to the adoption of the TIF i.e. administrative soft cost, consultant costs.

Alderman Hayden stated he understands what this is establishing; however, the cart is being put before the horse. An account is being created for something that doesn't exist.

Mr. Norber stated the city is taking the steps as any other single purpose TIF areas and business district. In all likelihood there will be one project in the TIF and one project in the business district which therefore is very similar to the Target, Wal-Mart and Eckert's project.

Mayor Eckert stated there was some speculation questions about the developer and advised the city had been working on this for a year and the Shrine were extremely particular in choosing and working with the developer. The steps that are being proposed are the same steps that have been proposed in recent years establishing the other TIFs.

Alderman Galetti asked if the TIF is created because the developer requires it; Mayor Eckert stated the developer made is clear that without the TIF/business district this project does not move forward.

Members voting aye on roll call: Kinsella, Meyer, Rujawitz, Anthony, Davidson, Silsby, Seibert, White and Musgrove. (9)

Members voting nay on roll call: Hayden, Galetti and Schneider. (3)

Alderman Heisler, Alderman Schmidt, Alderman Randle and Alderman Orlet, excused. (4)

ORDINANCES

Alderman Silsby made a motion seconded by Alderman Kinsella to read by group and title only Ordinances 7840, 7841, 7842.

Discussion...

Mr. Norber stated the purposes of two ordinances are, in fact, to establish the special tax allocation fund for the TIF and the Business District. The other ordinance addresses the statutory requirement to establish an interested party's registry so that any organization that is active in the city or any resident may sign up with the city to receive various notifications.

All members voted aye.

C. **Other Civil Cases.** The City currently has pending the following other civil cases in which I am representing the City:

1. *Rehkemper v. City of Belleville, et al.* This is a case filed against the City for damage because of leakage from the prior Belleville municipal landfill. The insurance company has declined coverage, because its policy was not in effect at the time of this incident. We have turned in a claim to our prior insurance company. This case is being defended by the attorney who was hired by our first insurance company while we wait to hear from our prior insurance company. Both insurance companies have denied coverage.
2. *City of Belleville v. Leon Demond, d/b/a Kelly's Limousine.* This is a case filed against Kelly's Limousine to recover the money paid to Kelly's due to Kelly's breach of the contract by moving its operation. Judgment has been entered in favor of the City in the amount of \$120,000.00. A prior Citation to Discover Assets revealed that Mr. Demond had few assets; I am now serving another Citation to Discover Assets to determine if that has changed.
3. *City of Belleville v. Richard Hosto, d/b/a Hosto Excavating and J & D Sewer.* This is a case for damage done to the City's main sewer line at 1848 Page Avenue. This was arbitrated and the arbitrators awarded \$22,886.50 to the City, but the Defendant rejected the award. Mediation also failed. The September 22, 2014 trial date was continued upon Plaintiff's request due to a scheduling conflict with another trial; we will be rescheduling the trial within the next few months.
4. *Larry Horne vs. City of Belleville.* This is a case filed by a firefighter against the City and Pension Board to have his start date moved back for pension purposes. After reassignment to a new judge, the Court has entered a briefing schedule and the matter is set for hearing on March 31, 2015.
5. *City of Belleville vs. Fischer Lumber.* This case is filed against Fischer Lumber for breach of a development agreement. The City is seeking \$135,000.00 to be repaid. The Court ordered mediation was not successful. The City has filed an Amended Complaint. On September 18, 2015, the Court entered an Amended Case Management Order, specifically setting discovery deadlines and an October 26, 2015 trial date. The parties are currently conducting written discovery.
6. *City of Belleville vs. Bethany Place.* On February 6, 2013, the City filed a Complaint against Bethany Place seeking an order enjoining and prohibiting the Defendant from operating a needle exchange program at 821 West A Street, Belleville, Illinois and also seeking the assessment of a fine. On April 11, 2013, the Court entered an Order directing the Defendant to cease operation of its needle exchange program until the proper permit is obtained from the Plaintiff and to otherwise use the subject property in accordance with the City's Zoning Code. On June 25, 2013, the Court denied Bethany Place's Motion to Reconsider and granted the City's Motion to Assess a Fine to the extent that the Court retained jurisdiction

for enforcement of its April 11, 2013 Order prohibiting Bethany Place from operating a “needle exchange program” and will assess fines for future violations. On July 19, 2013, Bethany Place filed a Notice of Appeal, and the case is now pending before the Illinois Appellate Court – Fifth Judicial District. On September 8, 2014, after the filing a brief and participating in oral arguments, the Appellate Court affirmed the Circuit Court’s judgment in the City’s favor. Bethany Place since filed a Petition for Leave to Appeal to the Illinois Supreme Court, which was denied on January 28, 2015. Accordingly, this matter is now concluded.

7. *City of Belleville vs. Ronnie Phillips and Chester Nance.* On January 25, 2013, the City filed a Complaint against the Defendant Ronnie Phillips seeking an order directing the Defendant to abate the nuisance on his property at 207 East Main, Belleville, Illinois and also for a money judgment in accordance with the ordinances of the City. On September 16, 2013, with leave of Court, I filed an Amended Complaint adding Defendant Chester Nance, seeking identical relief concerning his adjacent property. Defendants have since abated the nuisance and, following successful completion of the appeal in the City’s favor in the companion case being handled by insurance counsel (the Illinois Supreme Court denied Phillips’ Petition for Leave to Appeal on November 26, 2014), this case was recently dismissed without prejudice. Accordingly, this matter is now concluded.
8. *Szynalski and Hasting v. City of Belleville, et al.* In September of 2014, Plaintiffs filed a Complaint against the City and a property owner pursuant to Section 11-13-15, specifically challenging the City’s issuance of a permit for the installation of a driveway off Colony Drive. After service of the Complaint, Plaintiffs filed a Motion for Leave to file an Amended Complaint, which remains pending. Upon the filing of such Amended Complaint, I will respond accordingly.

There are other lawsuits being handled through the City’s insurance company.

- D. **Other Miscellaneous Cases.** In addition to the above cases, there are a number of cases where the City is named as a Defendant in mortgage foreclosure lawsuits. The City is named as a Defendant because of municipal liens. These liens are typically extinguished in the foreclosure action. It is doubtful if the City will collect any of the amounts liened from these cases. There are also a number of cases where the City has filed proof of claims in Bankruptcy Court. These proof of claims are normally for sewer or trash charges and, in most cases, the City is unable to collect on any of these.

- D. Whether the plight of the applicant is due to peculiar circumstances not of his own making; and*
- E. Whether the peculiar circumstances engendering the variance request are applicable to other property with the district, and therefore, that a variance would be a more appropriate remedy than an amendment (rezoning); and*

Dear mayor Eckert:

This letter is a formal request to hold the second annual Belleville Christkindlmarkt from November 27 daily through December 23, 2015. We are requesting that this Christkindlmarkt be set up on the two quads, Southeast and Northeast, adjacent to the Public Square, downtown Belleville, Illinois. The Belleville Christkindlmarkt, was under the Belleville 200/BCEO and will remain under the BCEO/501c3.

As you know, the first Christkindlmarkt, held in 2014, to cap off the Bicentennial year celebration of Belleville was a huge success! We know that the Trolley rides saw a 38% increase of riders over their previous best year, and the numbers are quite a bit higher at the Santa house. Based on information from local merchants, and talking with visitors to the Christkindlmarkt, we saw new visitors coming to Belleville for the express purpose of visiting the Market. We know that the Market was a huge driver in bringing new shoppers to experience what Belleville has to offer during the holidays. We also know that the local Merchants as well as the Market vendors had a truly successful season of sales.

We believe that we can indeed maintain the success of 2014, and building upon that first years' experience, bring more shoppers to downtown Belleville during the holiday season. We would like to begin setting up for the Market during the week of November 16, 2015. We understand that proof of insurance will need to be provided.

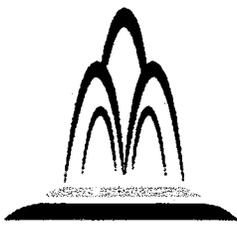

Additionally, we note that we will be working closely once again with the Sister Cities Organization to provide beverages (beer and gluhwein) to the public.

Thank you for your support of the second Annual Belleville Christkindlmarkt. We hope to continue to showcase the Metro-East region in a positive way, and working together once again with the local merchants, bring in new visitors to experience Belleville. Please notify us as soon as possible if we may count on your support in this matter.

Thank you for your consideration of this request.

Respectfully,

Carole Piontkowsky
Director
