

CITY OF BELLEVILLE TEMPORARY OFFICE RELOCATIONS

Temporary Office Relocations

Belleville's City Hall will soon be undergoing renovations. After the relocation of the Police Department from City Hall to its new location at 720 West Main Street in June of 2016, renovations will begin.

Built in 1957, the current City Hall at 101 S. Illinois St., was designed by architect Charles King. This sturdy building with its terrazzo floors, large windows, and high ceilings has served the public well, but asbestos abatement and compliance with ADA requirements are important changes that are long overdue.

Renovations are expected to begin in July of 2016 and end in early 2017. While these renovations are taking place, all offices currently within City Hall will temporarily relocate as indicated below. Phone numbers, mailing addresses, and emails will not change during the temporary relocation.

Thank you for your cooperation and understanding during the next few months. We apologize in advance for any inconvenience during this renovation, but feel that the renovations will help us better serve our businesses and residents in the years ahead.
