

Angel of Hope

Memorial Wall, Walkway & Garden

The Belleville Angel of Hope is located in a quiet garden setting in Bellevue Park, Belleville, Illinois. The angel's face is that of a child, its arms raised, as a child waiting to be lifted. In its wing is inscribed the word HOPE.

The Belleville Angel of Hope is an exact replica of the Christmas Box Angel statue, located in Salt Lake City, Utah. It stands as a symbol of hope for all parents and loved ones that have experienced the death of a child, no matter what age.

To honor our children's memories a memorial wall and walkway have been established. The wall extends around the back of the statue on two sides. The walkway is at the base of the wall and separate walkways will be extended in various directions from the statue. Beautiful shade and ornamental trees in conjunction with deep green evergreens set off this area. The statue and surrounding area is intended to be a place of peace for all bereaved parents, grandparents, relatives, and friends.

In response to a number of requests we have established different levels for donating or sponsorship.
