

50/50 SIDEWALK REPLACEMENT PROGRAM

50/50 Sidewalk Program

Each fiscal year monies are budgeted, and competitive construction bids taken, in order to partner with property owners to replace sidewalks that are in poor condition. The most economical price is obtained with the City paying half and the resident paying half of the cost. This 50/50 program has helped renovate neighborhood sidewalks across the City. Perhaps you would like to take advantage of this program? Why not submit a Sidewalk Replacement 50/50 Application today?

PROCEDURES & GUIDELINES

1. Contract the City Engineering Department for an application.
2. Return completed application to:

Engineering Department
