## FACILITY USE AGREEMENT

This Facility Use Agreement is entered into by and between the City of Belleville, Illinois (“City”) and Little Knights Football Club, an Illinois non-profit corporation (“Club”).

### **RECITALS**

**WHEREAS**, the City is an Illinois municipal corporation that owns fields at its Jaycees Park located at 750 West H Street, Belleville, Illinois as depicted on Exhibit A attached hereto and incorporated herein (“Property”);

**WHEREAS**, the Club is an Illinois non-profit corporation that operates a youth football program in Belleville, St. Clair County, Illinois;

**WHEREAS**, the City and the Club desire to memorialize an agreement for the Club’s nonexclusive use of the fields on the City’s Property for youth football practice and games.

**NOW, THEREFORE**, in consideration of the mutual covenants and promises contained herein and for other good and valuable consideration, the parties agree as follows:

1. **Use.** The City shall permit the Club to use the fields on the Property solely for purposes of youth football practices and games, with the timing and nature of such use as described in Exhibit B, attached hereto and incorporated herein; provided, however, that the City’s Director of Parks and Recreation Department shall maintain the sole discretion to deem such fields to be unsafe due to weather and/or other conditions, and may suspend such use as necessary in order to rectify such condition(s). Otherwise, the City may utilize the Property for regular City operations at any and all times that the Property is not reserved for the Club pursuant to Exhibit B. The Club shall comply with all applicable laws, ordinances, rules, regulations and policies. The Club shall further provide adequate supervision of the Property to ensure proper care and use of same. The Club shall not erect any buildings or structures, whether permanent or temporary, on the Property, including but not limited to stadiums, shelters or sheds, and shall not remove, cut or destroy any trees or shrubs, without the prior written consent of the City’s Director of Parks and Recreation Department.

2. **Consideration.** Upon execution of this Agreement, the Club shall pay the City the sum of Two Thousand Dollars (\$2,000.00) annually, payable on July 1st of each year of the term of this Agreement, payable upon execution of this Agreement.

3. **Responsibilities.** Concerning its nonexclusive use of the Property, the Club shall provide, at its sole cost and expense, any and all necessary materials/equipment, including but not limited to goalposts, yard-markers and field-lining. Furthermore, the Club shall provide any and all necessary mowing and maintenance, including but not limited to labor, in order to prepare such football fields for practices and games.

4. **Term.** The term of this Agreement shall be from five (5) years from July 1, 2018 to June 30, 2023, unless terminated sooner as provided herein. Either party may terminate this Agreement with or without cause upon thirty (30) days written notice to the other party. Such “cause” is a breach of this Agreement that is not cured within seven (7) days written notice thereof from the other party. Furthermore,

this Agreement may be renewed for successive five (5) year terms by mutual written agreement of the City and the Club.

**5. Indemnification and Hold Harmless.** Each party shall indemnify and hold harmless the other party from any claim or cause of action resulting from the act or omission of the indemnifying party, its agents and/or employees, concerning the use of the Premises under this Agreement. Both parties specifically represent that this agreement for indemnity does not waive any statutory immunity to which the City may be entitled by law, nor does it create any rights of action in any third party. The Club shall further pay for any damages to City facilities and/or equipment arising out of its use of the Property, whether such damage was accidental or deliberate. The cost of such damages will be based on the repair or replacement cost, the choice of which is at the discretion of the City Council.

**6. Insurance.** The Club shall maintain commercial general liability insurance coverage with limits of at least One Million Dollars (\$1,000,000), against personal injury/death and/or property damage/loss, naming the City as an additional insured, and proof/verification of same shall be submitted in writing to the City within thirty (30) days of the execution of this Agreement. Such insurance coverage shall be primary, non-contributory and include a waiver of subrogation in favor of the City. The Club shall further maintain worker's compensation coverage as required by law.

**7. Strict Compliance.** No failure by either party to insist upon the strict performance of any covenant, term or condition of this Agreement, or to exercise any right or remedy upon a breach thereof, shall constitute a waiver of any such breach or any subsequent breach of such covenant, term or condition. No waiver of any breach shall affect or alter this Agreement, but each and every covenant, term and condition of this Agreement shall continue in full force and effect.

**8. Notice.** All notices, requests, approvals, demands and other communications required or permitted to be given under this Agreement shall be in writing and shall be deemed to have been duly given and to be effective when delivered personally (including delivery by express or courier service) or, if mailed, three (3) business days after being deposited in the United States mail as registered or certified matter, postage prepaid, return receipt requested, addressed as follows or to such other address as either party may designate by notice to the other party in accordance with this Paragraph 8:

RE: **Engineering Services Agreement - Supplement**  
West Main St. Streetscape 6<sup>th</sup> St. to 17<sup>th</sup> St.  
Belleville, Illinois  
KEG No. 11-1010.00

Dear Mr. Gregowicz:

Enclosed is a supplement for engineering services on the West Main Street Streetscape project from 6<sup>th</sup> Street to 17<sup>th</sup> Street.

At the time of final project development report and preliminary plan submittal, IDOT informed us that the policy for minimum clear width for wheelchair passage was changed from 3' to 4'. The 3' minimum clear width was between buildings and light poles. In order to meet the new minimum clear width and maintain the policy for distance of light poles behind the back of curb, the entire curb must be moved toward the centerline. After discussion with you and Mayor Eckert, it was decided that we would move the existing curb line on both sides of the street toward the centerline and widened the sidewalk. This will narrow the parking lane to the minimum width of current policy.

A redesign of the roadway plans and the sewer separation plans is necessary to accommodate this change. The redesign will cost \$126,985. Attached is a breakdown of the hours by task.

We appreciate the opportunity to work with you on this project. If you have any questions, please contact me at 618.233.5877.

Respectfully,
