**INDEPENDENT AUDITOR'S REPORT ON

To the Honorable Mayor and
City Council of
City of Belleville, Illinois

We have audited the financial statements of the City of Belleville, Illinois' Tax Increment Financing District #3, Tax Increment Financing District #8 Downtown South, Tax Increment Financing District #9 Southwinds Estate, Tax Increment Financing District #10 Lower Richland Creek, Tax Increment Financing District #11 Industrial Jobs Recovery, Tax Increment Financing District #12 Sherman Street, Tax Increment Financing District #13 Drake Road, Tax Increment Financing District #14 Route 15 East, Tax Increment Financing District #15 Carlyle/Greenmount, Tax Increment Financing District #16 Route 15 Corridor, Tax Increment Financing District #17 East Main Street, Tax Increment Financing District #18 Scheel Street, Tax Increment Financing District #19 Frank Scott Parkway, Tax Increment Financing District #20 Route 15/South Green Mount Road, Tax Increment Financing District #21 Belle Valley III, and Tax Increment Financing District #22 Route 15 North as of and for the year ended April 30, 2018, as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to error or fraud.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including assessment of the risks of material misstatement of the financial

statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant estimates made by management, as well as evaluating the overall financial statement presentation.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the City of Belleville, Illinois' Tax Increment Financing Districts, as referred to in the first paragraph, as of April 30, 2018 and the respective changes in financial position, and where applicable, cash flows thereof for the year ended in accordance with accounting principles generally accepted in the United States of America.

Prior Basis of Accounting

The City of Belleville has kept its records and has prepared its financial statements for previous years on the modified cash basis of accounting. As described in Note 5 to the financial statements, The City has adopted accounting principles generally accepted in the United States of America as of the beginning of the current year. Although appropriate adjustments have been made to fund balances as of that date, it was not practicable to determine what adjustments would be necessary in the financial statements of the preceding year to retrospectively adjust the results of operations to conform with the accounting principles used in the current year.

Other Matters

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements of the City of Belleville, Illinois' Tax Increment Financing Districts taken as a whole. The other supplementary data on pages 14 and 15 is presented for the purpose of additional analysis and is not a required part of the basic financial statements. This other supplementary information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole. This other supplementary information was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such

information directly to the underlying accounting and other records used to prepare the financial statements themselves, and other procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements taken as a whole.

The supplementary information on Pages 16 through 25 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information has not been subjected to the auditing procedures applied in the audit of the financial statements and accordingly, we express no opinion on it.

Compliance with Laws and Regulations

The management of the City of Belleville, Illinois is responsible for the government's compliance with laws and regulations. In connection with our audit, referred to above, we selected and tested transactions and records to determine the government's compliance with 65 ILCS 5/11-74.1-3, "Tax Increment Allocation Redevelopment Act".

The results of our tests indicate that for the items tested, the City of Belleville, Illinois, complied with Subsection (q) of 65 ILCS 5/11-74.4-3, "Tax Increment Allocation Redevelopment Act". Nothing came to our attention that caused us to believe that, for the items not tested, the City of Belleville, Illinois was not in compliance with Subsection (q) of 65 ILCS 5/11-74.4-3, "Tax Increment Allocation Redevelopment Act".

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounts of the City are organized on the basis of funds, each of which is considered a separate accounting entity. Special Revenue Funds are used to account for the financing of public improvements or services deemed to benefit properties within a specific area. The City established the Tax Increment Financing Districts in the fiscal years ended April 30 as follows:

District #3	1986
Districts #8, #9, #10 and #11	2000
District #12	2003
District #13	2004

Districts #15, #16, #17, #18 and #19	2008

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to error or fraud.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including assessment of the risks of material misstatement of the financial

statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant estimates made by management, as well as evaluating the overall financial statement presentation.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the City of Belleville, Illinois' Tax Increment Financing Districts, as referred to in the first paragraph, as of April 30, 2018 and the respective changes in financial position, and where applicable, cash flows thereof for the year ended in accordance with accounting principles generally accepted in the United States of America.

Prior Basis of Accounting

The City of Belleville has kept its records and has prepared its financial statements for previous years on the modified cash basis of accounting. As described in Note 5 to the financial statements, The City has adopted accounting principles generally accepted in the United States of America as of the beginning of the current year. Although appropriate adjustments have been made to fund balances as of that date, it was not practicable to determine what adjustments would be necessary in the financial statements of the preceding year to retrospectively adjust the results of operations to conform with the accounting principles used in the current year.

Other Matters

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements of the City of Belleville, Illinois' Tax Increment Financing Districts taken as a whole. The other supplementary data on pages 14 and 15 is presented for the purpose of additional analysis and is not a required part of the basic financial statements. This other supplementary information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole. This other supplementary information was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such

information directly to the underlying accounting and other records used to prepare the financial statements themselves, and other procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements taken as a whole.

The supplementary information on Pages 16 through 25 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information has not been subjected to the auditing procedures applied in the audit of the financial statements and accordingly, we express no opinion on it.

Compliance with Laws and Regulations

The management of the City of Belleville, Illinois is responsible for the government's compliance with laws and regulations. In connection with our audit, referred to above, we selected and tested transactions and records to determine the government's compliance with 65 ILCS 5/11-74.1-3, "Tax Increment Allocation Redevelopment Act".

The results of our tests indicate that for the items tested, the City of Belleville, Illinois, complied with Subsection (q) of 65 ILCS 5/11-74.4-3, "Tax Increment Allocation Redevelopment Act". Nothing came to our attention that caused us to believe that, for the items not tested, the City of Belleville, Illinois was not in compliance with Subsection (q) of 65 ILCS 5/11-74.4-3, "Tax Increment Allocation Redevelopment Act".
