  - Intimidation;
  - Disorderly conduct as defined in Section 130.02 of this revised code of ordinances.
- (f) Any speaker who engages in such prohibited conduct during public participation shall be called to order by the chair or ruling by the chair if a point of order is made by a sitting alderman.

**CITY OF BELLEVILLE, ILLINOIS  
COUNCIL MEETING MINUTES  
COUNCIL CHAMBERS – CITY HALL  
MONDAY, MARCH 21, 2022 – 7:00 PM**

Mayor Gregory called this meeting to order.

City Clerk Meyer called roll. Members present on roll call: Alderman Hazel, Alderman Whitaker, Alderwoman Duco, Alderman Randle, Alderman Ferguson, Alderman Anthony, Alderman Ovian, Alderman Dintelman, Alderwoman Schaefer, Alderwoman Stiehl, Alderman Rothweiler, Alderman Elmore, Alderman Weygandt, Alderwoman Sullivan.

Excused: Alderwoman Eros

**ROLL CALL DEPARTMENT HEADS**

City Clerk Meyer called roll of Department Heads: City Treasurer Biermann, City Attorney Garrett Hoerner; Police Chief Bill Clay; Fire Chief, JP Penet; Finance Director Jamie Maitret; Director of Public Works, Jason Poole; Director of Wastewater, Randy Smith; Director of Library, Leander Spearman; Director of IT, Scott Markovich; City Engineer, Sal Elkott; Director of Health, Housing and Building, Scott Tyler; Director of Economic Development, Planning & Zoning, Clifford Cross.

Excused: Director of Human Resources, Seth Miller

**PLEDGE**

A moment of silence was held for the people of Ukraine.

**PUBLIC HEARING**

NONE.

**PUBLIC PARTICIPATION**

**Jacob Surratt:** I live at 8012 West Main Street. For the second time in less than two years on Sunday, I was woken up by a car barreling up the embankment on the other side of the street then running and getting stuck. I know you, Chief, have been short staffed, I would like to see additional Police Officers. Traffic on West Main has gotten out of control. Two times in the last two years they have gone up the embankment. I love living on America's Longest Main Street, I like having the safety of additional eyes on the road. If there could be additional Police presence to slow people down or applying for TAC funds to narrow the road for example from 74<sup>th</sup> Street through Lebanon Road, it is only between 6,900 and 7,200 cars a day whereas the North Belt sees between 14,000 and 18,000. Lebanon Avenue sees the same or more traffic than West Main on the West End and I have never been stopped in traffic on Lebanon Avenue before. It is down to the point where people are driving 45-50 down West Main, I do not know about you, but if you want to drive 20 miles an hour over the speed limit go jump on Highway 15 like everyone else, you do not need to

do it on Main Street. I just wanted to voice my concerns and I do not know if people can, for example eight to five years ago West Main had the same number of cars on it and people were not in a hurry. I cannot fault people that are running kids around when it is a straight road and it is kind of easy to get side-tracked and speed, so if there are other things that can be looked at, I would really appreciate it.

Mayor Gregory: We thank you so much for bringing your concerns forward. You will be happy to know that we did just swear in two new Police Officers since the last meeting. Hope to have some more here pretty soon. I do appreciate you bringing this to our attention. I live on the West End, and I will tell you, they go fast. Thank you so much, I am sure the Police Chief and everyone within his administration and Patrol Officers will discuss this.

### **PRESENTATIONS, RECOGNITIONS & APPOINTMENTS**

Mayor Gregory recognized Annaliese Baumann for winning the State Championship in the IHSA Girls Bowling Wheelchair Division. Annaliese is a senior at Belleville East High School. This is her second championship!

### **APPROVAL OF MINUTES**

Alderman Ferguson made a motion second by Alderwoman Schaefer to approve City Council Meeting Minutes of March 07, 2022.

All members voted aye.

### **CLAIMS, PAYROLL AND DISBURSEMENTS**

Alderwoman Schaefer made a motion second by Alderwoman Stiehl to approve claims and disbursements in the amount of **\$1,253,837.99** payroll in the amount of **\$1,337,541.80**.

Members voting aye on roll call: Hazel, Whitaker, Duco, Randle, Ferguson, Anthony, Ovian, Dintelman, Schaefer, Stiehl, Rothweiler, Elmore, Weygandt, Sullivan. (14)

### **REPORTS**

NONE.

### **ORAL REPORTS**

### **FINANCE COMMITTEE**

Alderman Whitaker made a motion second by Alderman Ferguson to approve medical insurance carrier renewal effective 05/01/2022, as recommended by staff and our insurance broker.

A motion to approve purchase of two new servers for City Hall from Storcom, Inc for \$39,793.52.

A motion to approve three proposals from Utilitra for total cost of \$72,979.58 for security camera and access control takeover of the City Hall and Police Department systems for centralized monitoring and management, to include security servers, software, licensing, and support for a five-year term.

A motion to waive formal bidding procedures and utilize the Sourcewell Purchasing Alliance for the purchase of one new 2021 International Sanitation truck with a New Way 31-yard Sidewinder side loader automated body from Elliott Equipment Co. in the amount of \$280,551.70.

Members voting aye on roll call: Whitaker, Duco, Randle, Ferguson, Anthony, Ovian, Dintelman, Schaefer, Stiehl, Rothweiler, Elmore, Weygandt, Sullivan, Hazel. (14)

### **MASTER SEWER**

Alderman Dintelman made a motion second by Alderwoman Schaefer authorizing sale/conversion of Wastewater Department Vehicle 2000 Ford Utility Bed Crane Truck VIN# 1F2AF26F6YEA80863.

All members voted aye.

### **ADMINISTRATION**

Alderman Elmore made a motion second by Alderman Dintelman to approve the apparent low bidder Minton Outdoor Services for grass mowing services 2022 – 2025.

Alderman Randle: I know that we had a discussion regarding extending the former contract and now Minton is the low bidder. I am going to ask Jason Poole to come forward just to give us an idea of the difference between the two bids from the former contract to the one we are approving tonight.

Director of Public Works, Jason Poole: This was a tricky one, we went out for bid like you asked. We did it instead of extending the three-year contract. Minton's proposed extension would have amounted to utilizing the 2021 complaint list, as well as the City Owned Property list was \$44,499 per year, that is what we paid in 2021. The bids came in, we had four responsive bidders, Minton was the low bidder as you guys are aware on the agenda. Their bid for 2022 was \$54,182 comparing that to the old contract was an increase of \$9,693 over 22%, in 2023 it went up \$15,165 for an increase of 34%, in 2024 it went up \$21,488 for an increase of 48%. Keep in mind this is utilizing the complaint list from 2021, obviously there is no way to predict what the complaint list is going to be moving forward, just know that the complaint list in 2021 was not out of the ordinary compared to previous years.

Director of Public Works, Jason Poole: If you compare the other bidders, Minton's bid was considerably less than the other bidders.

Alderwoman Stiehl: When you first brought us the bid, weeks ago, if we would have accepted that instead of having to go out for bids, would we have saved \$80,000?

Director of Public Works, Jason Poole: It really was not a bid, Minton had just offered to extend the contract, City Attorney recommended that is a possibility to extend the contract with Council approval.

Alderwoman Stiehl: If we would have done that –

Director of Public Works, Jason Poole: It was \$80,000 I projected out through 2025, Minton's extension was only through 2024 he had a three-year extension, so the increase from last year through 2025 is bid and 2025 is up \$28,094 for a 63% increase. But you cannot compare that because he did not extend four years, he was only willing to extend three years.

Alderwoman Schaefer: We kind of shot ourselves in the foot.

Alderwoman Stiehl: Exactly, we should have taken the contract the first time.

Director of Public Works, Jason Poole: You cannot predict. Someone could have come in lower.

Members voting aye on roll call: Duco, Randle, Ferguson, Anthony, Ovian, Dintelman, Schaefer, Stiehl, Rothweiler, Elmore, Weygandt, Sullivan, Hazel, Whitaker. (14)

## **COMMUNICATIONS**

### **KEEP BELLEVILLE BEAUTIFUL CITY-WIDE LITTER PICK-UP – 04/09/2022**

Mayor Gregory: I want to personally thank the three departments that have moved since last week starting to put everything together. Today I went to visit them with Kathy Kaiser to see the new digs at Lindenwood. I tell you it is like they have gone to the Taj Mahal. I would like to thank Dean and Scott for getting all that together for that move. I certainly appreciate it and I know the employees that are now over there do appreciate it also, and we get quite a few people going through there today.

## **EXECUTIVE SESSION**

NONE.

\*\*\*

## **ADJOURNMENT**

Alderman Randle made a motion second by Alderman Elmore to adjourn at 7:31 p.m.

All members present voted aye.

---

Jennifer Gain Meyer, City Clerk

## AGREEMENT FOR PROFESSIONAL SERVICES

TO CITY OF BELLEVILLE  
ATTN: SAL ELKOTT, P.E.  
407 EAST LINCOLN STREET  
BELLEVILLE, IL 62220

DATE March 4, 2022

PROJECT FRANK SCOTT PARKWAY WEST CULVERT IMPROVEMENT  
PROJECT NO. TBD  
DEPARTMENT Distribution/Collections  
PROJECT TYPE Stormwater

### SECTION 1 DEFINITIONS AND PARTIES

This is an AGREEMENT between GONZALEZ COMPANIES, LLC, hereinafter referred to as the ENGINEER, and CITY OF BELLEVILLE, hereinafter referred to as the CLIENT.

The CLIENT proposes to engage the ENGINEER to furnish certain professional services in connection with the FRANK SCOTT PARKWAY WEST CULVERT IMPROVEMENT, which work is hereinafter referred to as the PROJECT.

### SECTION 2 SCOPE OF SERVICES

#### BACKGROUND

The City of Belleville is interested in lining the CMP culvert crossing under Frank Scott Parkway West near the intersection with Dutch Hollow Road. Such lining is to be of sufficient specifications so as to extend the life of the culvert no less than 30 years.

#### TASK 1 SURVEY

ENGINEER will perform property research to obtain plats and/or deed documents as necessary for the definition of parcels within PROJECT corridor. ENGINEER will perform sufficient boundary survey work for the delineation of existing parcels and right-of-way along the project corridor. No title report is included in this scope of work and only those easements shown on research documents obtained from the courthouse will be shown on the plans.

Right-of-way and boundary surveys will only be conducted to determine the approximate lines and limits adjacent to the project corridor and not to the level of detail required to enable preparation of legal description for easements or purchase of additional right-of-way. It is anticipated no easements or right-of-way will be required for this project and these services have not been included in the scope of work. If easements or right-of-way are required, the additional work will be conducted on an hourly basis according to the Professional Service Rates as shown on Exhibit A.

ENGINEER will perform a topographic survey in sufficient detail to prepare construction documents. ENGINEER will establish horizontal control points and vertical benchmarks within the project site. The ENGINEER will tie-in visible and marked utilities based upon a Joint Utility Locating Information for Excavators call. If utilities are not marked and additional efforts required to coordinate utility markings or survey of potholed utilities is required, the CLIENT will be billed on an hourly basis according to the Professional Service Rates as shown on Exhibit A.

#### TASK 2 PRELIMINARY PLANS

Upon completion of the work described in TASK 1, the ENGINEER will determine the options available for lining of the culvert and provide recommendation as to an optimum choice for the CLIENT. Any lining used shall not raise the water surface elevation outside of road right-of-way. Engineer will then develop plan and profile sheets within the project corridor for the drainage improvements as indicated within the background. Upon completion of the preliminary layout, it is anticipated that the ENGINEER and CLIENT will review the preliminary design in one (1) progress meeting.

Based upon the comments received the ENGINEER will revise the plan and profile drawings and resubmit to the CLIENT for additional review. Upon review the ENGINEER will make changes one final time prior to moving to TASK 3.

#### TASK 3 FINAL PLANS

Final plans for the drainage improvements associated with the project will include the plan and profile sheets developed under TASK 2, as well as contain construction schedules, miscellaneous details, cross sections, summary of quantities, general notes, cover sheet, technical specifications and all documents required for bidding of the project.

ENGINEER will prepare an opinion of probable construction cost and estimate of time to compete the work.

ENGINEER will coordinate the proposed improvements with known utility companies by sending plans via email after review and approval of the preliminary plans developed in TASK 2, as well as upon completion of the final plans prepared in TASK 3. It is anticipated that the respective utility companies will review these plans and determine if conflicts exist with their utilities. If conflicts exist, relocation of the utilities may be required. If it is the CLIENT's desire to revise plans after completion of TASK 2 or TASK 3 to avoid relocation of utilities the ENGINEER will perform this additional work on an hourly basis according to the Professional Service Rates as shown on Exhibit A.

#### TASK 4 PERMITTING

It is assumed the project will be considered maintenance/rehabilitation and will not require permitting from the USACE, IEPA, or IDNR-OWR. ENGINEER will prepare a letter and associated plan and cross-section exhibits for submittal to the USACE / IEPA to confirm the need for permitting. If additional permitting is required, the ENGINEER will perform this

additional work on an hourly basis according to the Professional Service Rates as shown on Exhibit A.

#### TASK 5 BIDDING AND CONSTRUCTION ADMINISTRATION

ENGINEER will review and respond to any bidder questions, as well as issue any addenda to the bidding documents if required. ENGINEER will attend the bid opening, prepare a tabulation of bids, review bids received, and make a recommendation on award of a contract. ENGINEER will assist CLIENT with preparation of the contract document.

#### ASSUMPTIONS AND CLARIFICATIONS

It is clarified this proposal does not include preparation of any easements, if required. The proposal also does not include obtaining permits from any resource agencies. Services during construction are not included in this agreement. If any services not specifically noted within the scope of services are required, these will be performed on an hourly basis according to the Professional Service Rates as shown on Exhibit A.

### **SECTION 3 TIME FOR PERFORMANCE**

#### DELIVERABLE SCHEDULE

ENGINEER agrees to perform TASKS 1-4 within 120 days from the notice to proceed.

### **SECTION 4 COMPENSATION**

The ENGINEER agrees to perform tasks 1 through 4 within SECTION 2 SCOPE OF SERVICES for a LUMP SUM fee of TWENTY THOUSAND SEVEN HUNDRED TEN dollars (\$20,710.00 USD) unless scope changes occur. The ENGINEER may submit invoices as frequently as monthly.

The ENGINEER will use the address listed below for receiving payments from the CLIENT.

Gonzalez Companies, LLC  
Attn: Accounting  
525 West Main Street, Suite 125  
Belleville, IL 62220

The CLIENT will use the address listed below for receiving invoices from the ENGINEER.

CITY OF BELLEVILLE

407 EAST LINCOLN STREET  
BELLEVILLE, IL 62220

**SECTION 5 INCORPORATION OF EXHIBITS**

The following documents are attached hereto and incorporated herein by this reference.

- Exhibit A Professional Service Rates
- Exhibit B Terms and Conditions
- Exhibit C Manhour Estimate

**SECTION 6 ACCEPTANCE**

This proposal is valid for thirty (30) calendar days. If this AGREEMENT meets your approval, please sign where noted below and return to our office. We will treat this as notice to proceed unless instructed otherwise.

This AGREEMENT effective this 4 day of MARCH, 2022.

# TERMS & CONDITIONS

January 1, 2019

1. **STANDARD OF PERFORMANCE**

The standard of care for all professional engineering, consulting and related services performed or furnished by ENGINEER and its employees under this Agreement will be the care and skill ordinarily used by members of ENGINEER's profession practicing under the same or similar circumstances at the same time and in the same locality. ENGINEER makes no warranties, express or implied, under this Agreement or otherwise, in connection with ENGINEER's services.

2. **INSURANCE**

ENGINEER agrees to procure and maintain, at its expense, Workers' Compensation insurance as required by statute; Employer's Liability of \$250,000; Automobile Liability insurance of \$1,000,000 combined single limit for bodily injury and property damage covering all vehicles, including hired vehicles, owned and non-owned vehicles; Commercial General Liability insurance of \$500,000 per claim for protection against claims arising out of the performance of services under this Agreement caused by negligent acts, errors, or omissions for which ENGINEER is legally liable. Upon request, CLIENT/OWNER shall be made an additional insured on Commercial General and Automobile Liability insurance policies and certificates of insurance will be furnished to the CLIENT/OWNER. ENGINEER agrees to indemnify CLIENT/OWNER for the claims covered by ENGINEER's insurance.

3. **OPINIONS OF PROBABLE COST (COST ESTIMATES)**

Any opinions of probably project cost or probable construction cost provided by ENGINEER are made on the basis of information available to ENGINEER and on the basis of ENGINEER's experience and qualifications, and represents its judgment as an experienced and qualified professional. However, since ENGINEER has no control over the cost of labor, materials, equipment or services furnished by others, or over the contract(s)' methods of determining prices, or over competitive bidding or market conditions, ENGINEER does not guarantee that proposals, bids or actual project or construction cost will not vary from opinions of probable cost ENGINEER prepares.

4. **CONSTRUCTION PROCEDURES**

ENGINEER's observation or monitoring portions of the work performed under construction contracts shall not relieve the contractor from its responsibility for performing work in accordance with applicable contract documents. ENGINEER shall not control or have charge of, and shall not be responsible for, construction means, methods, techniques, sequences, procedures of construction, health or safety programs or precautions connected with the work and shall not manage, supervise, control or have charge of construction. ENGINEER shall not be responsible for the acts or omissions of the contractor or other parties on the project. ENGINEER shall be entitled to review all construction contract documents and to require that no provisions extend the duties or liabilities of ENGINEER beyond those set forth in this Agreement. CLIENT/OWNER agrees to include ENGINEER as an indemnified party in CLIENT/OWNER's construction contracts for the work, which shall protect ENGINEER to the same degree as CLIENT/OWNER. Further, CLIENT/OWNER agrees that ENGINEER shall be listed as an additional insured under the construction contractor's liability insurance policies.

5. **CONTROLLING LAW**

This Agreement is to be governed by the law of the state of Illinois or if agreed in writing with CLIENT/CLIENT/OWNER where ENGINEER'S services are performed.

6. **SERVICES AND INFORMATION**

CLIENT/OWNER will provide all criteria and information pertaining to CLIENT/OWNER's requirements for the project, including design objectives and constraints, space, capacity and performance requirements, flexibility and expandability, and any budgetary limitations. CLIENT/OWNER will also provide copies of any CLIENT/OWNER-furnished Standard Details, Standard Specifications, or Standard Bidding Documents which are to be incorporated into the project. CLIENT/OWNER will furnish the services of soils/geotechnical engineers or other consultants that include reports and appropriate professional recommendations when such services are deemed necessary by ENGINEER. The CLIENT/OWNER agrees to bear full responsibility for the technical accuracy and content of CLIENT/OWNER-furnished documents and services.

In performing professional engineering, construction management, and related services hereunder, it is understood by CLIENT/OWNER that ENGINEER is not engaged in rendering any type of legal, insurance or accounting services, opinions or advice. Further, it is the CLIENT/OWNER's sole responsibility to obtain the advice of an attorney, insurance counselor or accountant to protect the CLIENT/OWNER's legal and financial interests. To that end, the CLIENT/OWNER agrees that CLIENT/OWNER or the CLIENT/OWNER's representative will examine all studies, reports, sketches, drawings, specifications, proposals and other documents, opinions or advice prepared or provided by ENGINEER, and will obtain the advice of an attorney, insurance counselor or other consultant as the CLIENT/OWNER deems necessary to protect the CLIENT/OWNER's interests before CLIENT/OWNER takes action or forebears to take action based upon or relying upon the services provided by ENGINEER.

7. **SUCCESSORS AND ASSIGNS**

CLIENT/OWNER and ENGINEER, respectively, bind themselves, their partners, successors, assigns, and legal representatives to the covenants of this Agreement. Neither CLIENT/OWNER nor ENGINEER will assign, sublet, or transfer and interest in this Agreement or claims arising therefrom without the written consent of the other.

8. **RE-USE OF DOCUMENTS**

All documents, including all reports, drawings, specifications, computer software or other items prepared or furnished by ENGINEER pursuant to this Agreement, are instruments of service with respect to the project. ENGINEER retains ownership of all such documents. CLIENT/OWNER may retain copies of the documents for its information and reference in connection with the project; however, none of the documents are intended or represented to be suitable for reuse by CLIENT/OWNER or others on extensions of the project or on any other project. Any reuse without written verification or adaptation by ENGINEER for the specific purpose intended will be at CLIENT/OWNER's sole risk and without liability or legal exposure to ENGINEER, and CLIENT/OWNER will define, indemnify and hold harmless ENGINEER from all claims, damages, losses and expenses, including attorney's fees, arising or resulting therefrom. Any such verification or adaptation will entitle ENGINEER to further compensation at rates to be agreed upon by CLIENT/OWNER and ENGINEER.

9. **TERMINATION OF AGREEMENT**

CLIENT/OWNER or ENGINEER may terminate the Agreement, in whole or in part, by giving no less than ten (10) business days written notice, if the other party substantially fails to fulfill its obligations under the Agreement through no fault of the terminating party. Furthermore, CLIENT/OWNER may terminate this Agreement for its convenience and without cause by giving no less than ten (10) business days written notice to ENGINEER. Where the method of payment is "lump sum," time & material, or cost reimbursement, the final invoice will include all services and expenses associated with the project up to the effective date of termination plus a fifteen percent fee mark-up for the final invoice amount. An equitable adjustment shall also be made to provide for termination settlement costs ENGINEER incurs as a result of commitments that had become agreed upon before termination, and for a reasonable profit for services performed.

10. **SEVERABILITY**

If any provision of this agreement is held invalid or unenforceable, the remaining provisions shall be valid and binding upon the parties. One or more waivers by either party of any provision, term or condition shall not be construed by the other party as a waiver of any subsequent breach of the same provision, term or condition.

11. **INVOICES**

ENGINEER will submit invoices for services rendered and CLIENT/OWNER will make prompt payments in response to ENGINEER's invoices. ENGINEER will retain receipts for reimbursable expenses in general accordance with rules pertaining to the support of expenditures for income tax purposes. Receipts will be available for inspection by CLIENT/OWNER's auditors upon request.

If CLIENT/OWNER disputes any items in ENGINEER's invoice for any reason, including the lack of supporting documentation, CLIENT/OWNER may temporarily delete the disputed item and pay the remaining amount of the invoice, so as not to hold payment. CLIENT/OWNER will promptly notify ENGINEER of the dispute and request clarification and/or correction. After any dispute has been settled, ENGINEER will include the disputed item on a subsequent, regularly scheduled invoice, or on a special invoice for the disputed item only.

CLIENT/OWNER recognizes that late payment of invoices results in extra expenses for ENGINEER; ENGINEER retains the right to assess CLIENT/OWNER interest at the rate of one percent (1%) per month, but not to exceed the maximum rate allowed by law, on invoices which are not paid within thirty (30) calendar days from the date of the invoice. In the event undisputed portions of ENGINEER's invoices are not paid when due, ENGINEER also reserves the right, after seven (7) business days prior written notice, to suspend the performance of its services until all past due amounts have been paid in full.

**12. CHANGES**

The parties agree that no change or modification to the Agreement, or Task Order, or any attachments hereto, shall have any force or effect unless the change is reduced to writing, dated, and made part of the Task Order. The execution of the change shall be authorized and signed in the same manner as this Agreement. Adjustments in the period of services and in compensation shall be in accordance with applicable paragraphs and sections of the Task Order. Any proposed fees by ENGINEER are estimates to perform the services required to complete the project as ENGINEER understands it to be defined. For those projects involving conceptual or process development services, activities often are not fully definable in the time of performance and compensation scope and adjustments to the time of performance and compensation can be made as required. If such change, additional services, or suspension of services results in an increase or decrease in the cost of or time required for performance of the services, and equitable adjustment shall be made, and the Task Order modified accordingly.

**13. CONTROLLING AGREEMENT**

These Terms and Conditions shall take precedence over any inconsistent or contradictory provisions contained in any proposal, contract, purchase order, requisition, notice-to-proceed, or like document or Task Order.

**14. EQUAL EMPLOYMENT AND NONDISCRIMINATION**

In connection with the services under the Agreement, ENGINEER agrees to comply with the applicable provisions of federal and state Equal Employment Opportunity, and other employment, statutes and regulations.

**15. HAZARDOUS MATERIALS**

CLIENT/OWNER represents to ENGINEER that, to the best of its knowledge, no hazardous materials are present at the project site. However, in the event hazardous materials are known to be present, CLIENT/OWNER represents that to the best of its knowledge it has disclosed to ENGINEER the existence of all such hazardous materials, including but not limited to asbestos, PCB's, petroleum, hazardous waste, or radioactive material located at or near the project site, including type, quantity and location of such hazardous materials. It is acknowledged by both parties that ENGINEER's scope of services do not include services related in any way to encounters undisclosed hazardous materials, ENGINEER shall have the obligation to notify CLIENT/OWNER and, to the extent required by law or regulation, the appropriate governmental officials, and ENGINEER may, at its option and without liability for delay, consequential or any other damages to CLIENT/OWNER, suspend performance of services on that portion of the project affected by hazardous materials until CLIENT/OWNER: (i) retains appropriate specialist consultant(s) or contractor(s) to identify and, as appropriate, abate, remediate, or remove the hazardous materials; and (ii) warrants that the project site is in full compliance with all applicable laws and regulations.

CLIENT/OWNER acknowledges that ENGINEER is performing professional services for CLIENT/OWNER and that ENGINEER is not and shall not be required to become an "arranger," "operator," "generator," or "transporter" of hazardous materials, as defined in the Comprehensive Environmental Response, Compensation, and Liability Act of 1990 (CERCLA), which are or may be encountered at or near

the project site in connection with ENGINEER's services under this Task Order. If ENGINEER's services hereunder cannot be performed because of the existence of hazardous materials, ENGINEER shall be entitled to terminate this Task Order for cause on 30 calendar days written notice. To the fullest extent permitted by law, CLIENT/OWNER shall indemnify and hold harmless ENGINEER, its officers, directors, partners, employees, and subconsultants from and against all costs, losses, and damages (including but not limited to all fees and charges of engineers, architects, attorneys, and other professionals, and all court or arbitration or other dispute resolution costs) caused by, arising out of or resulting from hazardous materials, provided that (i) any such cost, loss, or damage is attributable to bodily injury, sickness, disease, or death, or injury to or destruction of tangible property (other than completed Work), including the loss of use resulting there from, and (ii) nothing in this paragraph shall obligate CLIENT/OWNER to indemnify any individual or entity from and against the consequences of that individual's or entity's sole negligence or willful misconduct.

**16. EXECUTION**

This Agreement and subsequent changes, including the exhibits and schedules made part hereof, constitute the entire agreement between ENGINEER and CLIENT/OWNER, supersedes and controls over all prior written or oral understandings. This agreement may be amended, supplemented or modified only by a written instrument duly executed by the parties.

**17. LIMITATION OF LIABILITY**

ENGINEER's and its employees' total liability to CLIENT/OWNER for any loss or damage, including but not limited to special and consequential damages arising out of or in connection with the performance of services or any other cause, including ENGINEER's and its employees' professional negligent acts, errors, or omissions, shall not exceed \$3,000,000, and CLIENT/OWNER hereby releases and holds harmless ENGINEER and its employees from any liability above such amount.

**18. LITIGATION SUPPORT**

In the event ENGINEER is required to respond to a subpoena, government inquiry or other legal process related to the services in connection with a legal or dispute resolution proceeding to which ENGINEER is not a party, CLIENT/OWNER shall reimburse ENGINEER for reasonable costs in responding and compensate ENGINEER at its then standard rates for reasonable time incurred in gathering information and documents and attending depositions, hearings, and trial.

**19. UTILITY LOCATION**

If underground sampling/testing is to be performed, a utility locating service shall be contracted to make arrangements for all utilities to determine the location of underground utilities. In addition, CLIENT/OWNER shall notify ENGINEER of the presence and location of any underground utilities located on the CLIENT/OWNER's property which are not the responsibility of other private/public utilities. ENGINEER shall take reasonable precautions to avoid damaging underground utilities that are properly marked. The CLIENT/OWNER agrees to waive any claim against ENGINEER and will indemnify and hold ENGINEER harmless from any claim of liability, injury or loss caused by or allegedly caused by ENGINEER's damaging of underground utilities that are not properly marked or are not called to ENGINEER's attention prior to beginning the underground sampling/testing.

**20. ESCALATION**

Annual rate escalation of 6% effective January 1, 2017.

**21. LIMITATION OF DESIGN ALTERNATIVES**

The ENGINEER will limit the number of design alternatives provided under this contract to three, upon which time the design will be considered complete.

**22. GRAPHICS CONTROL**

Because of its standing as a professional design firm, the ENGINEER has complete control over graphic content and presentation of all studies, reports, and all other documents produced under this agreement.

# SHORT FORM OF AGREEMENT BETWEEN OWNER AND ENGINEER FOR PROFESSIONAL SERVICES

THIS IS AN AGREEMENT effective as of \_\_\_\_\_ (“Effective Date”) between **City of Belleville, IL** (“Owner”) and **TWM, Inc.** (“Engineer”).

Owner’s Project, of which Engineer’s services under this Agreement are a part, is generally identified as follows: **Belleville GIS Services** (“Project”).

Engineer’s services under this Agreement are generally identified as (“Services”):

**Develop a Geographic Information System (GIS) system for the City for a period of five years:**

- 1. GIS Hosting**
  - Includes AEC subscription, ArcGIS Online and maintenance
  - One (1) Owner “Creator” User for use by City staff
- 2. ArcGIS Online Named Users**
  - Two (2) Owner “Editor” Users for use by City staff
  - Five (5) Owner “Field Workers” Users for use by City staff
- 3. GIS Implementation**
  - Create Enterprise Database
  - Configure GIS schema
  - Build and configure up to 4 Dashboards
- 4. GIS Interface Deployment**
  - Build and deploy web applications
  - Create and configure web maps for mobile use
- 5. GIS Workforce (Used for Public Works Service Calls)**
  - Create Workforce specific operational map layers
  - Create Web Application specifically for Workforce
  - Provide licensing for up to five (5) Workforce Users for use by City staff
  - Creation of one (1) dashboard for Workforce data
  - Attachment tables will be enabled on designated feature classes to allow remote storage of digital documents, photos, and other files.
- 6. Coordinate for Public and Owner supplied information**
  - Load existing Owner supplied data
    - Allowance for up to 40 hours scanning/attaching Belleville maps, plans, plats, etc
    - TIF maps
    - Parcel layer
    - Belleville Wards
    - Belleville Region Maps (from Public Works Dept.)
    - Referencing publicly available maps (such as FEMA, etc)
    - Coordinate with TWM’s PMS Contract for Pavement Condition Layer
  - Owner collected mobile data can be automatically added to the GIS database
- 7. GIS Training**

- **Six hours of personnel training for desktop training, Workforce system, Owner collection of data, etc.**
  - **Unlimited phone and email support**
- 8. Give an annual presentation to the Streets & Grades Committee and/or City Council discussing the program at the discretion of City staff**
- 9. Additional GIS Services and Training can be provided at \$129/hour**

---

Owner and Engineer further agree as follows:

**1.01 Basic Agreement and Period of Service**

- A. Engineer shall provide or furnish the Services set forth in this Agreement. If authorized by Owner, or if required because of changes in the Project, Engineer shall furnish services in addition to those set forth above (“Additional Services”).
- B. Engineer shall complete its Services within the following specific time period:
  - Assume Notice to Proceed on **May 1, 2022**.
  - Complete items 1-5 above within **3 months** after notice to proceed.
  - Remainder of contract is ongoing.
- C. If, through no fault of Engineer, such periods of time or dates are changed, or the orderly and continuous progress of Engineer’s Services is impaired, or Engineer’s Services are delayed or suspended, then the time for completion of Engineer’s Services, and the rates and amounts of Engineer’s compensation, shall be adjusted equitably.

**2.01 Payment Procedures**

- A. *Invoices:* Engineer shall prepare invoices in accordance with its standard invoicing practices and submit the invoices to Owner on a monthly basis. Invoices are due and payable within 30 days of receipt. If Owner fails to make any payment due Engineer for Services, Additional Services, and expenses within 30 days after receipt of Engineer’s invoice, then (1) the amounts due Engineer will be increased at the rate of 1.0% per month (or the maximum rate of interest permitted by law, if less) from said thirtieth day, and (2) in addition Engineer may, after giving seven days written notice to Owner, suspend Services under this Agreement until Engineer has been paid in full all amounts due for Services, Additional Services, expenses, and other related charges. Owner waives any and all claims against Engineer for any such suspension.
- B. *Payment:* As compensation for Engineer providing or furnishing Services and Additional Services, Owner shall pay Engineer as set forth in Paragraphs 2.01, 2.02 (Services), and 2.03 (Additional Services). If Owner disputes an invoice, either as to amount or entitlement, then Owner shall promptly advise Engineer in writing of the specific basis for doing so, may withhold only that portion so disputed, and must pay the undisputed portion.

**2.02 Basis of Payment—Lump Sum**

- A. Owner shall pay Engineer for Services as follows:

1. A Lump Sum amount of **\$15,000 per year (quarterly payments of \$3,750) for 5 years for a total fee of \$75,000.**
2. In addition to the Lump Sum amount, reimbursement for the following expenses: **None.**

2.03 *Additional Services:* For Additional Services, Owner shall pay Engineer an amount equal to the cumulative hours charged in providing the Additional Services by each class of Engineer's employees, times standard current hourly rates for each applicable billing class; plus reimbursement of expenses incurred in connection with providing the Additional Services and Engineer's consultants' charges, if any. Engineer's standard current hourly rates are available by request.

### 3.01 *Termination*

A. The obligation to continue performance under this Agreement may be terminated:

1. For cause,
  - a. By either party upon 30 days written notice in the event of substantial failure by the other party to perform in accordance with the Agreement's terms through no fault of the terminating party. Failure to pay Engineer for its services is a substantial failure to perform and a basis for termination.
  - b. By Engineer:
    - 1) upon seven days written notice if Owner demands that Engineer furnish or perform services contrary to Engineer's responsibilities as a licensed professional; or
    - 2) upon seven days written notice if the Engineer's Services are delayed for more than 90 days for reasons beyond Engineer's control, or as the result of the presence at the Site of undisclosed Constituents of Concern, as set forth in Paragraph 5.01.I.
  - c. Engineer shall have no liability to Owner on account of a termination for cause by Engineer.
  - d. Notwithstanding the foregoing, this Agreement will not terminate as a result of a substantial failure under Paragraph 3.01.A.1.a if the party receiving such notice begins, within seven days of receipt of such notice, to correct its substantial failure to perform and proceeds diligently to cure such failure within no more than 30 days of receipt of notice; provided, however, that if and to the extent such substantial failure cannot be reasonably cured within such 30 day period, and if such party has diligently attempted to cure the same and thereafter continues diligently to cure the same, then the cure period provided for herein shall extend up to, but in no case more than, 60 days after the date of receipt of the notice.
2. For convenience, by Owner effective upon Engineer's receipt of written notice from Owner.

B. In the event of any termination under Paragraph 3.01, Engineer will be entitled to invoice Owner and to receive full payment for all Services and Additional Services performed or furnished in accordance with this Agreement, plus reimbursement of expenses incurred through the effective date of termination in connection with providing the Services and Additional Services, and Engineer's consultants' charges, if any.

#### 4.01 *Successors, Assigns, and Beneficiaries*

- A. Owner and Engineer are hereby bound and the successors, executors, administrators, and legal representatives of Owner and Engineer (and to the extent permitted by Paragraph 4.01.B the assigns of Owner and Engineer) are hereby bound to the other party to this Agreement and to the successors, executors, administrators, and legal representatives (and said assigns) of such other party, in respect of all covenants, agreements, and obligations of this Agreement.
- B. Neither Owner nor Engineer may assign, sublet, or transfer any rights under or interest (including, but without limitation, money that is due or may become due) in this Agreement without the written consent of the other party, except to the extent that any assignment, subletting, or transfer is mandated by law. Unless specifically stated to the contrary in any written consent to an assignment, no assignment will release or discharge the assignor from any duty or responsibility under this Agreement.
- C. Unless expressly provided otherwise, nothing in this Agreement shall be construed to create, impose, or give rise to any duty owed by Owner or Engineer to any Constructor, other third-party individual or entity, or to any surety for or employee of any of them. All duties and responsibilities undertaken pursuant to this Agreement will be for the sole and exclusive benefit of Owner and Engineer and not for the benefit of any other party.

#### 5.01 *General Considerations*

- A. The standard of care for all professional engineering and related services performed or furnished by Engineer under this Agreement will be the care and skill ordinarily used by members of the subject profession practicing under similar circumstances at the same time and in the same locality. Engineer makes no warranties, express or implied, under this Agreement or otherwise, in connection with any services performed or furnished by Engineer. Subject to the foregoing standard of care, Engineer and its consultants may use or rely upon design elements and information ordinarily or customarily furnished by others, including, but not limited to, specialty contractors, manufacturers, suppliers, and the publishers of technical standards.
- B. Engineer shall not at any time supervise, direct, control, or have authority over any Constructor's work, nor shall Engineer have authority over or be responsible for the means, methods, techniques, sequences, or procedures of construction selected or used by any Constructor, or the safety precautions and programs incident thereto, for security or safety at the Project site, nor for any failure of a Constructor to comply with laws and regulations applicable to such Constructor's furnishing and performing of its work. Engineer shall not be responsible for the acts or omissions of any Constructor.
- C. Engineer neither guarantees the performance of any Constructor nor assumes responsibility for any Constructor's failure to furnish and perform its work.
- D. Engineer's opinions (if any) of probable construction cost are to be made on the basis of Engineer's experience, qualifications, and general familiarity with the construction industry. However, because Engineer has no control over the cost of labor, materials, equipment, or services furnished by others, or over contractors' methods of determining prices, or over competitive bidding or market conditions, Engineer cannot and does not guarantee that proposals, bids, or actual construction cost will not vary from opinions of probable construction cost prepared by Engineer. If Owner requires greater assurance as to probable construction cost, then Owner agrees to obtain an independent cost estimate.

- E. Engineer shall not be responsible for any decision made regarding the construction contract requirements, or any application, interpretation, clarification, or modification of the construction contract documents other than those made by Engineer or its consultants.
- F. Engineer acknowledges that Owner has right to ownership of all files paid for by Owner under this agreement. Said files shall be of sufficient number, quality, and extent in accordance with the professional standard of care, to allow Owner the continued working use of said files (assuming Owner is sufficiently knowledgeable on the required software), subject to receipt by Engineer of full payment due and owing for all Services and Additional Services relating to preparation of the documents and subject to the following limitations:
  - 1. Owner shall indemnify and hold harmless Engineer and its officers, directors, members, partners, agents, employees, and consultants from all claims, damages, losses, and expenses, including attorneys' fees, arising out of or resulting from any use, reuse, or modification of the files without written verification, completion, or adaptation by Engineer; and
  - 2. Such limited license to Owner shall not create any rights in third parties.
- G. Owner and Engineer may transmit, and shall accept, Project-related correspondence, documents, text, data, drawings, information, and graphics, in electronic media or digital format, either directly, or through access to a secure Project website, in accordance with a mutually agreeable protocol.
- H. To the fullest extent permitted by law, Owner and Engineer (1) waive against each other, and the other's employees, officers, directors, members, agents, insurers, partners, and consultants, any and all claims for or entitlement to special, incidental, indirect, or consequential damages arising out of, resulting from, or in any way related to this Agreement or the Project, and (2) agree that Engineer's total liability to Owner under this Agreement shall be limited to \$100,000 or the total amount of compensation received by Engineer, whichever is greater.
- I. The parties acknowledge that Engineer's Services do not include any services related to unknown or undisclosed Constituents of Concern. If Engineer or any other party encounters, uncovers, or reveals an unknown or undisclosed Constituent of Concern, then Engineer may, at its option and without liability for consequential or any other damages, suspend performance of Services on the portion of the Project affected thereby until such portion of the Project is no longer affected, or terminate this Agreement for cause if it is not practical to continue providing Services.
- J. Owner and Engineer agree to negotiate each dispute between them in good faith during the 30 days after notice of dispute. If negotiations are unsuccessful in resolving the dispute, then the dispute shall be mediated. If mediation is unsuccessful, then the parties may exercise their rights at law.
- K. This Agreement is to be governed by the law of the state in which the Project is located.
- L. Engineer's Services and Additional Services do not include: (1) serving as a "municipal advisor" for purposes of the registration requirements of Section 975 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (2010) or the municipal advisor registration rules issued by the Securities and Exchange Commission; (2) advising Owner, or any municipal entity or other person or entity, regarding municipal financial products or the issuance of municipal securities, including advice with respect to the structure, timing, terms, or other similar matters concerning such products or issuances; (3) providing

surety bonding or insurance-related advice, recommendations, counseling, or research, or enforcement of construction insurance or surety bonding requirements; or (4) providing legal advice or representation.

#### 6.01 *Total Agreement*

- A. This Agreement (including any expressly incorporated attachments), constitutes the entire agreement between Owner and Engineer and supersedes all prior written or oral understandings. This Agreement may only be amended, supplemented, modified, or canceled by a duly executed written instrument.

#### 7.01 *Definitions*

- A. *Constructor*—Any person or entity (not including the Engineer, its employees, agents, representatives, and consultants), performing or supporting construction activities relating to the Project, including but not limited to contractors, subcontractors, suppliers, Owner’s work forces, utility companies, construction managers, testing firms, shippers, and truckers, and the employees, agents, and representatives of any or all of them.
- B. *Constituent of Concern*—Asbestos, petroleum, radioactive material, polychlorinated biphenyls (PCBs), hazardous waste, and any substance, product, waste, or other material of any nature whatsoever that is or becomes listed, regulated, or addressed pursuant to (a) the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. §§9601 et seq. (“CERCLA”); (b) the Hazardous Materials Transportation Act, 49 U.S.C. §§5101 et seq.; (c) the Resource Conservation and Recovery Act, 42 U.S.C. §§6901 et seq. (“RCRA”); (d) the Toxic Substances Control Act, 15 U.S.C. §§2601 et seq.; (e) the Clean Water Act, 33 U.S.C. §§1251 et seq.; (f) the Clean Air Act, 42 U.S.C. §§7401 et seq.; or (g) any other federal, State, or local statute, law, rule, regulation, ordinance, resolution, code, order, or decree regulating, relating to, or imposing liability or standards of conduct concerning, any hazardous, toxic, or dangerous waste, substance, or material.

**SHORT FORM OF AGREEMENT  
BETWEEN OWNER AND ENGINEER  
FOR PROFESSIONAL SERVICES**

THIS IS AN AGREEMENT effective as of \_\_\_\_\_ (“Effective Date”) between **City of Belleville, IL** (“Owner”) and **TWM, Inc.** (“Engineer”).

Owner’s Project, of which Engineer’s services under this Agreement are a part, is generally identified as follows: **Belleville Pavement Management System** (“Project”).

Engineer’s services under this Agreement are generally identified as (“Services”):

**Develop a pavement management system using MicroPaver and GIS for the City for a period of five years:**

- **Create a pavement inventory of all the City maintained streets in public right-of-way (asphalt, concrete, brick and oil and chip), estimated at 280 centerline miles**
- **Perform a visual assessment of City maintained streets in public right-of-way, giving each a PCI rating. This will not include alleys or any parking lots.**
- **Visually reinspect intermediately rated streets (in the 55-70 PCI range) to verify the pavement is deteriorating as expected (typically 25-30% of streets) a second time in year three or four of the five-year contract and give an updated PCI rating**
- **Perform an analysis of the pavement ratings to create a five-year transportation improvement plan that is updated in each year of the contract**
- **Provide an annual written summary discussing the condition of the streets that includes preliminary cost estimates as part of the transportation plan and pavement condition maps**
- **Street inventory and condition to also be entered into the City’s GIS system and be sortable by Ward and/or Region**
- **Give an annual presentation to the Streets & Grades Committee and/or City Council discussing the program at the discretion of City staff**
- **Basic Scope does not include engineered plans and bid books. TWM can provide these items for an additional fee.**

---

Owner and Engineer further agree as follows:

1.01 *Basic Agreement and Period of Service*

- A. Engineer shall provide or furnish the Services set forth in this Agreement. If authorized by Owner, or if required because of changes in the Project, Engineer shall furnish services in addition to those set forth above (“Additional Services”).
- B. Engineer shall complete its Services within the following specific time period:
  - **Assume Notice to Proceed on May 1, 2022.**
  - **Complete the MicroPaver and GIS setup, inspections, and Year 1 analysis and written summary within 6 months after notice to proceed.**

- **Each subsequent analysis and written summary will be completed approximately 12 months after the previous year's report.**

C. If, through no fault of Engineer, such periods of time or dates are changed, or the orderly and continuous progress of Engineer's Services is impaired, or Engineer's Services are delayed or suspended, then the time for completion of Engineer's Services, and the rates and amounts of Engineer's compensation, shall be adjusted equitably.

#### 2.01 *Payment Procedures*

- A. *Invoices:* Engineer shall prepare invoices in accordance with its standard invoicing practices and submit the invoices to Owner on a monthly basis. Invoices are due and payable within 30 days of receipt. If Owner fails to make any payment due Engineer for Services, Additional Services, and expenses within 30 days after receipt of Engineer's invoice, then (1) the amounts due Engineer will be increased at the rate of 1.0% per month (or the maximum rate of interest permitted by law, if less) from said thirtieth day, and (2) in addition Engineer may, after giving seven days written notice to Owner, suspend Services under this Agreement until Engineer has been paid in full all amounts due for Services, Additional Services, expenses, and other related charges. Owner waives any and all claims against Engineer for any such suspension.
- B. *Payment:* As compensation for Engineer providing or furnishing Services and Additional Services, Owner shall pay Engineer as set forth in Paragraphs 2.01, 2.02 (Services), and 2.03 (Additional Services). If Owner disputes an invoice, either as to amount or entitlement, then Owner shall promptly advise Engineer in writing of the specific basis for doing so, may withhold only that portion so disputed, and must pay the undisputed portion.

#### 2.02 *Basis of Payment—Lump Sum*

- A. Owner shall pay Engineer for Services as follows:
1. A Lump Sum amount of **\$50,500 per year (quarterly payments of \$12,625) for 5 years for a total fee of \$252,500.**
  2. In addition to the Lump Sum amount, reimbursement for the following expenses: **None.**

2.03 *Additional Services:* For Additional Services, Owner shall pay Engineer an amount equal to the cumulative hours charged in providing the Additional Services by each class of Engineer's employees, times standard current hourly rates for each applicable billing class; plus reimbursement of expenses incurred in connection with providing the Additional Services and Engineer's consultants' charges, if any. Engineer's standard current hourly rates are available by request.

#### 3.01 *Termination*

- A. The obligation to continue performance under this Agreement may be terminated:
1. For cause,
    - a. By either party upon 30 days written notice in the event of substantial failure by the other party to perform in accordance with the Agreement's terms through no fault of the terminating party.

Failure to pay Engineer for its services is a substantial failure to perform and a basis for termination.

- b. By Engineer:
    - 1) upon seven days written notice if Owner demands that Engineer furnish or perform services contrary to Engineer's responsibilities as a licensed professional; or
    - 2) upon seven days written notice if the Engineer's Services are delayed for more than 90 days for reasons beyond Engineer's control, or as the result of the presence at the Site of undisclosed Constituents of Concern, as set forth in Paragraph 5.01.I.
  - c. Engineer shall have no liability to Owner on account of a termination for cause by Engineer.
  - d. Notwithstanding the foregoing, this Agreement will not terminate as a result of a substantial failure under Paragraph 3.01.A.1.a if the party receiving such notice begins, within seven days of receipt of such notice, to correct its substantial failure to perform and proceeds diligently to cure such failure within no more than 30 days of receipt of notice; provided, however, that if and to the extent such substantial failure cannot be reasonably cured within such 30 day period, and if such party has diligently attempted to cure the same and thereafter continues diligently to cure the same, then the cure period provided for herein shall extend up to, but in no case more than, 60 days after the date of receipt of the notice.
2. For convenience, by Owner effective upon Engineer's receipt of written notice from Owner.

- B. In the event of any termination under Paragraph 3.01, Engineer will be entitled to invoice Owner and to receive full payment for all Services and Additional Services performed or furnished in accordance with this Agreement, plus reimbursement of expenses incurred through the effective date of termination in connection with providing the Services and Additional Services, and Engineer's consultants' charges, if any.

#### 4.01 *Successors, Assigns, and Beneficiaries*

- A. Owner and Engineer are hereby bound and the successors, executors, administrators, and legal representatives of Owner and Engineer (and to the extent permitted by Paragraph 4.01.B the assigns of Owner and Engineer) are hereby bound to the other party to this Agreement and to the successors, executors, administrators, and legal representatives (and said assigns) of such other party, in respect of all covenants, agreements, and obligations of this Agreement.
- B. Neither Owner nor Engineer may assign, sublet, or transfer any rights under or interest (including, but without limitation, money that is due or may become due) in this Agreement without the written consent of the other party, except to the extent that any assignment, subletting, or transfer is mandated by law. Unless specifically stated to the contrary in any written consent to an assignment, no assignment will release or discharge the assignor from any duty or responsibility under this Agreement.
- C. Unless expressly provided otherwise, nothing in this Agreement shall be construed to create, impose, or give rise to any duty owed by Owner or Engineer to any Constructor, other third-party individual or entity, or to any surety for or employee of any of them. All duties and responsibilities undertaken pursuant to this Agreement will be for the sole and exclusive benefit of Owner and Engineer and not for the benefit of any other party.

## 5.01 *General Considerations*

- A. The standard of care for all professional engineering and related services performed or furnished by Engineer under this Agreement will be the care and skill ordinarily used by members of the subject profession practicing under similar circumstances at the same time and in the same locality. Engineer makes no warranties, express or implied, under this Agreement or otherwise, in connection with any services performed or furnished by Engineer. Subject to the foregoing standard of care, Engineer and its consultants may use or rely upon design elements and information ordinarily or customarily furnished by others, including, but not limited to, specialty contractors, manufacturers, suppliers, and the publishers of technical standards.
- B. Engineer shall not at any time supervise, direct, control, or have authority over any Constructor's work, nor shall Engineer have authority over or be responsible for the means, methods, techniques, sequences, or procedures of construction selected or used by any Constructor, or the safety precautions and programs incident thereto, for security or safety at the Project site, nor for any failure of a Constructor to comply with laws and regulations applicable to such Constructor's furnishing and performing of its work. Engineer shall not be responsible for the acts or omissions of any Constructor.
- C. Engineer neither guarantees the performance of any Constructor nor assumes responsibility for any Constructor's failure to furnish and perform its work.
- D. Engineer's opinions (if any) of probable construction cost are to be made on the basis of Engineer's experience, qualifications, and general familiarity with the construction industry. However, because Engineer has no control over the cost of labor, materials, equipment, or services furnished by others, or over contractors' methods of determining prices, or over competitive bidding or market conditions, Engineer cannot and does not guarantee that proposals, bids, or actual construction cost will not vary from opinions of probable construction cost prepared by Engineer. If Owner requires greater assurance as to probable construction cost, then Owner agrees to obtain an independent cost estimate.
- E. Engineer shall not be responsible for any decision made regarding the construction contract requirements, or any application, interpretation, clarification, or modification of the construction contract documents other than those made by Engineer or its consultants.
- F. Engineer acknowledges that Owner has right to ownership of all files paid for by Owner under this agreement. Said files shall be of sufficient number, quality, and extent in accordance with the professional standard of care, to allow Owner the continued working use of said files (assuming Owner is sufficiently knowledgeable on the required software), subject to receipt by Engineer of full payment due and owing for all Services and Additional Services relating to preparation of the documents and subject to the following limitations:
  - 1. Owner shall indemnify and hold harmless Engineer and its officers, directors, members, partners, agents, employees, and consultants from all claims, damages, losses, and expenses, including attorneys' fees, arising out of or resulting from any use, reuse, or modification of the files without written verification, completion, or adaptation by Engineer; and
  - 2. Such limited license to Owner shall not create any rights in third parties.

- G. Owner and Engineer may transmit, and shall accept, Project-related correspondence, documents, text, data, drawings, information, and graphics, in electronic media or digital format, either directly, or through access to a secure Project website, in accordance with a mutually agreeable protocol.
- H. To the fullest extent permitted by law, Owner and Engineer (1) waive against each other, and the other's employees, officers, directors, members, agents, insurers, partners, and consultants, any and all claims for or entitlement to special, incidental, indirect, or consequential damages arising out of, resulting from, or in any way related to this Agreement or the Project, and (2) agree that Engineer's total liability to Owner under this Agreement shall be limited to \$100,000 or the total amount of compensation received by Engineer, whichever is greater.
- I. The parties acknowledge that Engineer's Services do not include any services related to unknown or undisclosed Constituents of Concern. If Engineer or any other party encounters, uncovers, or reveals an unknown or undisclosed Constituent of Concern, then Engineer may, at its option and without liability for consequential or any other damages, suspend performance of Services on the portion of the Project affected thereby until such portion of the Project is no longer affected, or terminate this Agreement for cause if it is not practical to continue providing Services.
- J. Owner and Engineer agree to negotiate each dispute between them in good faith during the 30 days after notice of dispute. If negotiations are unsuccessful in resolving the dispute, then the dispute shall be mediated. If mediation is unsuccessful, then the parties may exercise their rights at law.
- K. This Agreement is to be governed by the law of the state in which the Project is located.
- L. Engineer's Services and Additional Services do not include: (1) serving as a "municipal advisor" for purposes of the registration requirements of Section 975 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (2010) or the municipal advisor registration rules issued by the Securities and Exchange Commission; (2) advising Owner, or any municipal entity or other person or entity, regarding municipal financial products or the issuance of municipal securities, including advice with respect to the structure, timing, terms, or other similar matters concerning such products or issuances; (3) providing surety bonding or insurance-related advice, recommendations, counseling, or research, or enforcement of construction insurance or surety bonding requirements; or (4) providing legal advice or representation.

#### 6.01 *Total Agreement*

- A. This Agreement (including any expressly incorporated attachments), constitutes the entire agreement between Owner and Engineer and supersedes all prior written or oral understandings. This Agreement may only be amended, supplemented, modified, or canceled by a duly executed written instrument.

#### 7.01 *Definitions*

- A. *Constructor*—Any person or entity (not including the Engineer, its employees, agents, representatives, and consultants), performing or supporting construction activities relating to the Project, including but not limited to contractors, subcontractors, suppliers, Owner's work forces, utility companies, construction managers, testing firms, shippers, and truckers, and the employees, agents, and representatives of any or all of them.

- B. *Constituent of Concern*—Asbestos, petroleum, radioactive material, polychlorinated biphenyls (PCBs), hazardous waste, and any substance, product, waste, or other material of any nature whatsoever that is or becomes listed, regulated, or addressed pursuant to (a) the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. §§9601 et seq. (“CERCLA”); (b) the Hazardous Materials Transportation Act, 49 U.S.C. §§5101 et seq.; (c) the Resource Conservation and Recovery Act, 42 U.S.C. §§6901 et seq. (“RCRA”); (d) the Toxic Substances Control Act, 15 U.S.C. §§2601 et seq.; (e) the Clean Water Act, 33 U.S.C. §§1251 et seq.; (f) the Clean Air Act, 42 U.S.C. §§7401 et seq.; or (g) any other federal, State, or local statute, law, rule, regulation, ordinance, resolution, code, order, or decree regulating, relating to, or imposing liability or standards of conduct concerning, any hazardous, toxic, or dangerous waste, substance, or material.

Re: East Adams Street Sealing, Sidewalk, and Curb Repair – S. Illinois Street to S. Jackson Street  
OA Project No. 221111, Work Order 4

Dear Mr. Elkott:

This letter will serve as our agreement to perform the following services (hereinafter called the "Project") subject to the General Conditions of the Continuing Services Agreement.

**Scope:** Our Scope of Services include preparing plans, specifications and estimates for sealing and repairing East Adams Street (see attached detailed Scope of Services).

**Schedule:** Submit final plans by May 31, 2022.

**Estimated Cost:** \$19,000 in accordance with current hourly rates and reimbursable schedule of our Continuing Services Agreement.

If this Work Order satisfactorily sets forth your understanding of our agreement, please sign in the space provided below and return a copy to us. If you have any questions, please do not hesitate to contact me.

Sincerely,

**OATES ASSOCIATES, INC.**

## East Adams Street Sealing, Sidewalk, and Curb Repair for Drainage – S. Illinois Street to S. Jackson Street

We propose to prepare plans, specifications and estimates for micro-sealing East Adams Street from S. Illinois Street to S. Jackson Street (hereinafter called the "Project"). The project will also include pavement patching, selective sidewalk and curb repair.

### ITEMS INCLUDED IN BASE SCOPE OF SERVICES:

#### Field Survey

- Topo survey for curb ramp, sidewalk, and entrance reconstruction.
- Site visit to mark pavement patches and gutter replacement.
- Obtain 2 pavement cores.

#### Plans, Specifications and Estimates (PS&E)

- Prepare a location map, index of sheets, list of standard drawings, and general notes.
- Prepare one existing and one proposed typical section.
- Prepare pavement details for patching.
- Prepare plan sheets.
- Prepare contract documents, including check sheets, supplemental specifications, interim provisions, and project specific special provisions
- Prepare an estimate of time and construction cost estimate.
- Prepare bidding documents, including notice to bidders, contract proposal, schedule of prices, and project contract.
- Submit PS&E to the City for design approval.
- Incorporate revisions and/or comments requested by the Owner that are germane to the project scope.

### ITEMS NOT INCLUDED IN SCOPE OF SERVICES

1. Bid Assistance – can be negotiated later.
2. Construction Administration – can be negotiated later.
3. Utility coordination.
4. Full-time construction inspection/observation – can be negotiated later.
5. Geotechnical Engineering.
6. Environmental Engineering.
7. Preparation of Plats, Temporary Construction Easements, Permanent Easements, or Right of Way Dedication Documents.
8. Construction layout – Can be negotiated later

**Estimate of Project Costs**

Project Sponsor: City of Belleville, IL  
 Project Title: East Adams Street  
 Date: 3/4/2022

**Specific Roadway Items**

Item	Quantity	Unit	Unit Price	Amount

Re: Longview and Clearview Drive Storm Sewer Replacement  
OA Project No. 221111, Work Order 5

Dear Mr. Elkott:

This letter will serve as our agreement to perform the following services (hereinafter called the "Project") subject to the General Conditions of the Continuing Services Agreement.

**Scope:** Our Scope of Services include preparing plans, specifications and estimates for replacing up to three metal storm sewer pipes at Longview and Clearview Drive (see attached detailed Scope of Services).

**Schedule:** Submit final plans by May 31, 2022.

**Estimated Cost:** \$23,000 in accordance with current hourly rates and reimbursable schedule of our Continuing Services Agreement.

If this Work Order satisfactorily sets forth your understanding of our agreement, please sign in the space provided below and return a copy to us. If you have any questions, please do not hesitate to contact me.

Sincerely,

**OATES ASSOCIATES, INC.**

Steven M Keil, PE, PLS  
Project Manager

Title: \_\_\_\_\_

**LONGVIEW AND CLEARVIEW DRIVE STORM SEWER REPLACEMENT**

We propose to prepare plans, specifications and estimates for replacing up to three metal storm sewer pipes at Longview and Clearview Drive (hereinafter called the "Project"). We plan to bid the project as a Base Bid with two Alternate Bids. As shown on Exhibit 1, the Base Bid will be to replace the 24" corrugated metal section of pipe that runs through the backyard at 330 Longview Drive with a 260'-long section of pipe that runs north-south along the east side of Longview Drive. One Alternate Bid will be to replace the 30" corrugated metal cross-road culvert at the nearby creek. A second Alternate Bid will be to replace the 18" corrugated metal storm sewer that crosses the intersection of Longview and Clearview Drive.

**ITEMS INCLUDED IN BASE SCOPE OF SERVICES:****Field Survey**

- Topo survey for the project area including gathering inverts, slopes, and pipe sizes for the exiting storm sewer.
- Draw survey in the office to create a background drawing.
- Site visit to review existing conditions and mark removal limits for a JULIE utility locate.
- Obtain 1 pavement core for pavement patching.
- Provide initial utility coordination to determine potential utility conflicts and to aid with design.

**Design and Calculations**

- Prepare drainage area computations for three tributary areas.
- Prepare inlet computations to verify the type and location of inlets can accommodate flow.
- Size three storm sewer/ culvert pipes based on flow.
- Layout three storm sewer/ culvert pipe runs with sizes, slopes, inverts, and tops.

**Plans, Specifications and Estimates (PS&E)**

- Prepare a location map, index of sheets, list of standard drawings, and general notes.
- Prepare pavement details for patching.
- Prepare plan and drainage sheets.
- Prepare construction details for inlets, splash chute, trench backfill, and rip rap.
- Prepare contract documents, including check sheets, supplemental specifications, interim provisions, and project specific special provisions
- Prepare an estimate of time and construction cost estimate.
- Prepare bidding documents for a Base Bid with Two Alternate Bids - including notice to bidders, contract proposal, schedule of prices, and project contract.
- Submit PS&E to the City for design approval.
- Incorporate revisions and/or comments requested by the Owner that are germane to the project scope.

**ITEMS NOT INCLUDED IN SCOPE OF SERVICES**

1. Bid Assistance – can be negotiated later.
2. Construction Administration – can be negotiated later.
3. Utility relocation plans. Only initial utility coord. is included as it is assumed they can be designed around.
4. Full-time construction inspection/observation – can be negotiated later.
5. Geotechnical Engineering.
6. Environmental Engineering.
7. Preparation of Plats, Temporary Construction Easements, Permanent Easements, or Right of Way Dedication Documents.
8. Construction layout – Can be negotiated later

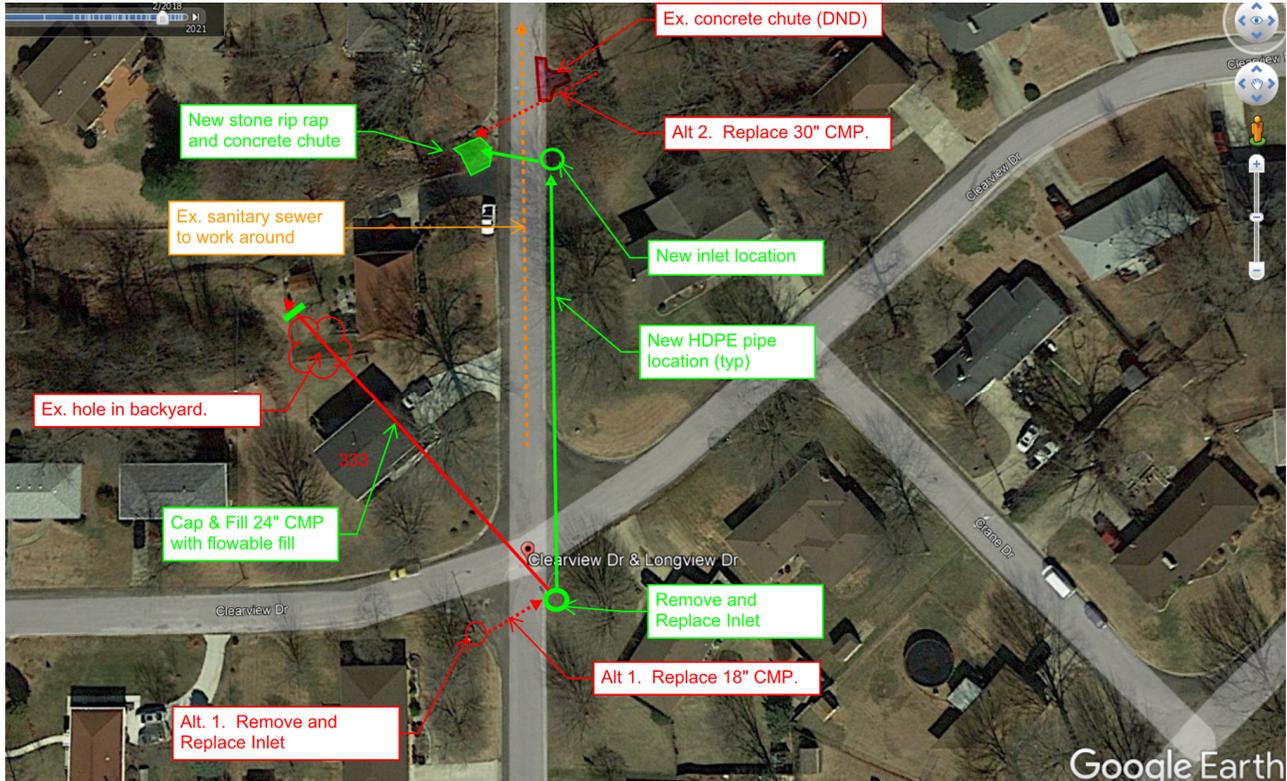

Exhibit 1 – Assumed project scope of work.

# ZONING BOARD OF APPEALS, CITY OF BELLEVILLE, ILLINOIS

## ADVISORY REPORT

Application for Amendment: Samantha Borger

Application Filed: 01/28/2022

**10-FEB22 Samantha Borger:** Request for a Use Variance for a triplex located at 216 – 218 North Jackson Street (08-22.0-321-004) which is an “A-1” Single-Family Residence district and the Hexenbuckel Historic District (Applicable sections of the code 162.090, 162.570). Ward 2

Present Zoning: A-1 Single-Family Residence

Meeting Held: 03/17/2022

Publication in News Democrat: 02/09/2022

Supporters: John Moeser

Objectors: Donna McElvey  
Patrick Lutz  
Janet Siemens

Additional public comments: None

Aldermen Present: Alderman Raffi Ovian  
Alderwoman Nora Sullivan

*Witnesses having been sworn, evidence presented and the Board fully advised in the premises, the Board has considered the following:*

- (1) The proposed variance is consistent with the general purposes of this chapter (see Section 162.001); and
- (2) Strict application of the district requirements would result in great practical difficulties or hardship to the applicant, and prevent a reasonable return on the property; and
- (3) The proposed variance is the minimum deviation from such requirements that will alleviate the difficulties/hardship, and allow a reasonable return on the property; and
- (4) The plight of the applicant is due to peculiar circumstances not of his or her own making; and
- (5) The peculiar circumstances engendering the variance request are not applicable to other property within the district and, therefore, that a variance would be a more appropriate remedy than an amendment (rezoning); and
- (6) The variance, if granted, will not alter the essential character of the area where the premises in question are located, nor materially frustrate implementation of the city’s Comprehensive Plan.

**10-FEB22: A motion was made to APPROVE the Request for a Use Variance for a triplex located at 216 – 218 North Jackson Street by Steve Zimmerman. It was seconded by Mitoshia Scott. The motion carried 6-0.**

**IT IS THEREFORE the recommendation of the Zoning Board of Appeals that a Use Variance be GRANTED BY A UNANIMOUS VOTE OF ALL MEMBERS PRESENT OF 6-0.**

**To:** Jenny Meyer; Beth Wamble (beth@shopbens.com)  
**Cc:** wpfeil@bellevillechamber.org  
**Subject:** Event Closures on South High

Jenny,

I'm aware that Stephanie from Seven has requested street closures for the first block of South High for the following days/times:

**05/07 - Live Music Row Event (all day event)**

~~07/07 - Seven Shichi Anniversary Party 7-11 PM~~

**07/23 - Belleville Indie Market (After Dark) 6-10 PM**

~~08/27 - The Big Lebowski Block Party 6-11 PM~~

~~10/01 - Belleville Indie Market (with respect to Pridefest) 12-6 PM~~

Even though BMS has events scheduled on two of the dates, I don't believe the closures will create a conflict. I say go for it.

Beth,

I wanted to copy you in on this thread as two of the events would include street closures during the day and we wanted you to be aware of the request.

If you have any concerns, please direct them to Jenny Meyer with the city (copied on this email.)

All,

Please let me know if you have any further questions for me.

Thanks,

Alex

**Subject:** Re: Event Closures on South High

Alex, Jenny, Wendy and Patty,

Thanks for this email.

I would like to say that I would strongly object to High Street being closed during the day when we are open. Closures at night are fine with us. We close at 5pm.

When High Street is closed during the day it is very detrimental to our business. Not only is it hard for our customers to get to the store, but when there is live music on the street, it is so loud that our cashiers can not even hear the customers at the register.

Can they not use the first block of Main Street instead of closing High Street or wait until after 5 pm to close the street?

**RESOLUTION NO. 3438**

**A RESOLUTION AUTHORIZING THE INSTALLATION OF PLAQUES  
MEMORIALIZING THE BELLEVILLE BLACK KNIGHTS DRUM & BUGLE CORPS**

THE CITY OF BELLEVILLE, ST. CLAIR COUNTY, ILLINOIS (THE "CITY"), IS A DULY ORGANIZED AND EXISTING MUNICIPALITY CREATED UNDER THE PROVISIONS OF THE LAWS OF THE STATE OF ILLINOIS.

THE CITY OF BELLEVILLE IS NOW OPERATING UNDER THE PROVISIONS OF THE ILLINOIS MUNICIPAL CODE, AS SUPPLEMENTED AND AMENDED AND AS A HOME RULE MUNICIPALITY PURSUANT TO ARTICLE VII OF THE ILLINOIS CONSTITUTION OF 1970; AND IN THE EXERCISE OF ITS HOME RULE POWERS.

WHEREAS, the Belleville Black Knights Drum & Bugle Corps proposes to install memorial plaques on the northeast quadrant of the Public Square in the City of Belleville (City) as more fully described in Exhibit A attached;

WHEREAS, City Administration has reviewed such proposal to install memorial plaques on the north east quadrant of the Public Square in the City of Belleville (City) as more fully described in Exhibit A attached, and this City Council desires to approve same.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF BELLEVILLE, ILLINOIS:

**Section 1.** The City Council hereby authorizes the installation of plaques memorializing the Belleville Black Knights Drum & Bugle Corps on the northeast quadrant of the Public Square in the City of Belleville (City) as more fully described in Exhibit A attached, with the Belleville Black Knights Drum and Bugle Corps to bear all costs and expenses associated with same.

**Section 2.** This Resolution shall be effective immediately upon its passage by the City Council and approval by the Mayor as provided by law.

**PASSED** by the City Council of the City of Belleville, Illinois, on this 4<sup>th</sup> day of April, 2022 on the following roll call vote:

## **Belleville Black Knights Drum & Bugle Corps Belleville, IL**

The Belleville Black Knights were organized in the spring of 1953 by Forrest Creson and Vern Poole. The Belleville Black Knights quickly gained state and national prominence early on as they won the AmVets National Championships in 1954 ... their first year in competition. They continued to be a competitive force throughout their history. Their most successful year was in 1973. For the first time in 19 years, the Black Knights won both the VFW and American Legion State Championships ... breaking the hold by Chicago competitors on the State title during that time frame. They also placed 3<sup>rd</sup> at the American International Open Championships, 3<sup>rd</sup> at the U.S. Open Championships, 10<sup>th</sup> at the Drum Corps International Championships, and 2<sup>nd</sup> at the VFW National Championships

In addition to their many competitions and performances throughout Illinois, Missouri, Wisconsin, and Iowa on a regular basis, the Belleville Black Knights represented Belleville at both Regional & National competitions throughout the following years:

- 1954 Miami, FL - Milwaukee, WI
- 1955 Philadelphia, PA
- 1956 Dallas, TX - Milwaukee, WI
- 1957 Boston, MA - Miami, FL
- 1958 New York, NY - St Louis, MO
- 1959 Los Angeles, CA
- 1960 Detroit, MI
- 1961 Miami, FL
- 1962 Minneapolis, MN
- 1963 Madison, WI
- 1964 Cleveland, OH
- 1965 Chicago, IL
- 1966 Chicago, IL
- 1967 New Orleans, LA
- 1968 Detroit, MI
- 1969 Philadelphia, PA
- 1970 Miami, FL - Toronto, Canada
- 1971 Dallas, TX - Houston, TX
- 1972 Whitewater, WI
- 1973 Lexington, KY - Butler, PA – Marion, OH – Whitewater, WI, - New Orleans, LA
- 1974 Auburn, NY - Toronto, Canada - Casper, WY – Denver, CO – Toledo, OH – Butler, PA - Marion, OH – Ithica, NY
- 1975 Richmond, KY - Philadelphia, PA
- 1976 Atlanta, GA - Philadelphia, PA
- 1977 Denver, CO

Bellleville  
Illinois

1959-1971

Was home to three junior drum corps:  
The Bellettes, the Black Knights and the Gabrielettes.  
These youths between the ages of 13 and 21 paraded  
these streets with precision, thrilling the crowds with  
patriotic and popular music. They represented this city  
with pride as they competed with other corps around  
the nation.

This is dedicated to them, their parents, the staffs,  
and supporters who put in endless hours of training,  
practice, and support to give these youths the gifts of  
discipline, hard work, respect and the love of music  
and competition.

**ORDINANCE NO. 9034-2022**

**A ZONING ORDINANCE IN RE CASE #10-FEB22-**  
**Samantha Borger**

THE CITY OF BELLEVILLE, ST. CLAIR COUNTY, ILLINOIS (THE "CITY"), IS A DULY ORGANIZED AND EXISTING MUNICIPALITY CREATED UNDER THE PROVISIONS OF THE LAWS OF THE STATE OF ILLINOIS.

THE CITY OF BELLEVILLE IS NOW OPERATING UNDER THE PROVISIONS OF THE ILLINOIS MUNICIPAL CODE, AS SUPPLEMENTED AND AMENDED AND AS A HOME RULE MUNICIPALITY PURSUANT TO ARTICLE VII OF THE ILLINOIS CONSTITUTION OF 1970; AND IN THE EXERCISE OF ITS HOME RULE POWERS.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF BELLEVILLE, ILLINOIS:

**Whereas**, a request has been filed for a Use Variance for a triplex located at 216 – 218 North Jackson Street (08-22.0-321-004) which is within an “A-1” Single-Family Residence District and the Hexenbuckel Historic District (Applicable sections of the Code 162.090, 162.570) Ward 2.

**Whereas**, a public hearing was held on March 17, 2022 before the City's Zoning Board of Appeals which has issued its advisory report.

**NOW, THEREFORE**, be it ordained by the City Council of the City of Belleville, Illinois as follows:

**Section 1.** That the request for a Use Variance for a triplex at 216 – 218 North Jackson Street (08-22.0-321-004) located in a “A-1” Single-Family Residence District is hereby granted. (Applicable sections of the zoning code: 162.090, 162.570) Ward 2.

**Section 2.** That conflicting ordinances or pertinent portions thereof in force at the time of this ordinance takes effect are hereby repealed.

**Section 3.** This ordinance shall be in full force and effect from and after its passage, approval and publication, all as provided by law.

**PASSED** by the City Council of the City of Belleville, Illinois, on this 4<sup>th</sup> day of April, 2022 on the following roll call vote:
