1 - Each year April is "Open Enrollment Month" for each employee to have a chance to make any necessary changes to his/her choice of insurance plans. Due to the timing of this form having to be completed before the budget is approved, we are posting the FY2025-2026 cost of insurance for each employee, based on the type of plan that employee selected as of the date this form was posted (3/26/25). Each employee is able to change the choice of plan before the end of April 2025, and as such, these amounts could change.

2 - One shift, or "day", for a union firefighter consists of 24 hours.

Please note: Positions and employees are subject to change with Mayoral appointments effective May 1.
