# MEMORIAL TREE PROGRAM

The most meaningful memorial is one that will benefit coming generations. The legacy of your loved one can be remembered through the Belleville Parks and Recreation Department Tree and Bench Memorial Program.

This program has been designed for residents to memorialize a departed family member or friend, or to commemorate a special occasion. Our Parks Department staff will work closely with donors to determine the best location and type of memorial. Donors can also work with staff to hold a dedication ceremony at the time of a tree planting or installation of bench.

## TREE MEMORIAL

*Cost of a Tree Memorial is \$600 per tree. This includes tree, plaque and continued maintenance of the tree. After the tree is planted, the contact person will receive a map of the planting location. Trees will be planted during the following appropriate planting season. Plaques will be installed approximately 4 weeks following the planting.*
